Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone **My Neighbor, My Self** Elise Chase,2021-12-08 Love your neighbor as yourself Have you ever wondered what these words might mean for you in your own life Elise Chase has Lying on a rickety canvas cot night after night while volunteering in a church sponsored emergency shelter she had a lot of time to ask herself questions about Jesus s challenging command and to reflect on how new relationships with homeless men and women were changing her from the inside out Fresh from an unwanted divorce Elise began to realize that increasing closeness with these new neighbors was helping her both to heal from pain and loneliness and to enter a deeper relationship with Jesus My Neighbor My Self invites readers not just into Elise s own story but also into the stories of many other people It explores surprising ways that our attempts to live into the second great commandment can actually help us live more fully into the first as well discovering in the process a more fulfilling relationship with the Lord The American Friend ,1926 *The Living Church* ,1982 *True Latter-Day Saints' Herald* ,1929 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **The London Quarterly Review** ,1834 Building Your Digital Sanctuary Brandan J. Robertson,2023-03-01 The COVID 19 pandemic accelerated the digital revolution faster than anyone expected In a few weeks faith communities around the world were thrust into developing fully digital ministries some doing it well and others struggling along the way However this moment of crisis opened the opportunity for all faith communities to reach unprecedented numbers of people and truly become ministries without walls Yet many churches have failed to fully incorporate a digital vision into their long term plan for ministry and have largely reverted to in person programs and services because of a lack of direction on how to build high quality and sustainable digital ministries Building Your Digital Sanctuary is an introductory guide for pastors and communications teams on how to lay the foundation of an impactful and sustainable digital sanctuary alongside your in person ministries Drawing on the wisdom of some of digital ministry experts this practical guide will provide the inspiration and insight churches need to minister in the emerging digital age *The Athenaeum* ,1914 The British Friend ,1906 **The Bible Exposition Commentary** Warren W.
