

# Sharing Parenthood

**Scott Coltrane**

## Sharing Parenthood:

Sharing Child Care in Early Parenthood Malcolm Hill, 2023-02-13 Originally published in 1987 Malcolm Hill examines the different ways in which parents share responsibility for looking after their pre school children with other people whether members of their social networks formal groups or paid carers He also looks at the reasons parents give for choosing and changing their particular arrangements In this way he provides insights into a range of ideas which ordinary members of the public have about children s needs the rights and responsibilities of mothers and fathers and how children think and feel Marked differences are described in the social relationships of families and in notions about who is acceptable as a substitute carer for children in what circumstances and for what purpose Several of these contrasts are linked to attitudes and life conditions which are affected by social class The book identifies possible consequences for individual children s social adaptability resulting from these patterns of care It suggests that people working with the under fives could profit from adapting their activities and services to children s previous experiences of shared care and families differing expectations about groups for children Sharing Parenthood After Divorce Ciji Ware, 1982

**Shared Parenting: Beyond the Great Divide** Frank Leek, 2012-06 It is a challenge for parents to raise children in one home even when everyone is getting along After a divorce when all the mediators attorneys evaluators and judges have moved on to other families parents are left with the most difficult task of all moving past their own conflicts and learning to raise their child in two homes Divorced parents often begin with the best of intentions seeking to protect their children from hurt even so they often feel overwhelmed with the seemingly complex array of tasks and decisions that must be made after the dissolution of a marriage Dr Frank Leek is an experienced clinical and forensic psychologist Now retired who relies on his years of experience working with divorcing and divorced parents to offer parents twenty essential co parenting tasks that encourage joint decisions conflict reduction and a focus on the well being of children While guiding parents through a process that often tests emotion and patience Leek shares practical advice that helps parents effectively deal with the initial transition and the often complicated issues that follow The insight offered in *Shared Parenting Beyond the Great Divide* leads divorcing parents on a healing journey where they learn to communicate effectively share parenting responsibilities and find workable systems that encourage a peaceful future for everyone Equally Shared Parenting Marc Vachon, Amy Vachon, 2010-01-05 This Is Parenting on Your Own

Terms Chances are you d rather not forfeit your happy rested life the moment you become a parent As a mom you may want to keep your career but aren t sure how to balance it with housework and childcare As a dad you probably want to witness your child s milestones but a demanding job may get in the way And what about time for yourself never mind your sex life Marc and Amy Vachon were determined to beat this scenario when their first child was born They vowed to sidestep the world s expectations of new parents and create a parenthood model that worked for them Their strategy was to share everything the good and the bad They became peers in each area of parenthood childcare housework and breadwinning They

also made time for themselves and for each other They shared the burdens so nobody was overwhelmed and the joys so neither missed out on the fun Drawing on Marc and Amy s experiences as well as those of dozens of ESP couples Equally Shared Parenting shows you how to create a balanced life that is rarely experienced by today s parents It s not just about who vacuums and who does the dishes or who brings in the paycheck and who tends to the kids You ll learn how to look at every aspect of parenthood money careers and your individual needs so you can build a life that works for you both Lone Parenthood in the Life Course Laura Bernardi,Dimitri Mortelmans,2017-11-08 Lone parenthood is an increasing reality in the 21st century reinforced by the diffusion of divorce and separation This volume provides a comprehensive portrait of lone parenthood at the beginning of the XXI century from a life course perspective The contributions included in this volume examine the dynamics of lone parenthood in the life course and explore the trajectories of lone parents in terms of income poverty labour market behaviour wellbeing and health Throughout comparative analyses of data from countries as France the United Kingdom Ireland Germany Belgium Sweden Switzerland Hungary and Australia help portray how lone parenthood varies between regions cultures generations and institutional settings The findings show that one parent households are inhabited by a rather heterogeneous world of mothers and fathers facing different challenges Readers will not only discover the demographics and diversity of lone parents but also the variety of social representations and discourses about the changing phenomenon of lone parenthood The book provides a mixture of qualitative and quantitative studies on lone parenthood Using large scale and longitudinal panel and register data the reader will gain insight in complex processes across time More qualitative case studies on the other hand discuss the definition of lone parenthood the public debate around it and the social and subjective representations of lone parents themselves This book aims at sociologists demographers psychologists political scientists family therapists and policy makers who want to gain new insights into one of the most striking changes in family forms over the last 50 years This book is open access under a CC BY License

**Reunification Family Therapy** Jan Faust,2017-12-20 A unique evidence based treatment manual for repairing parent child relationships Childhood problems are often related to and worsened by the disintegration of the family structure whether through parental separation and divorce military service or incarceration Reunification therapy is a therapeutic process incorporating different empirically based methods CBT humanistic and systemic to help repair relationships between parents and children and restore not only physical contact but also meaningful social emotional and interpersonal exchanges between parents and children This unique manual bringing together the vast experience of the author outlines the many situations numerous families currently face and why the need for reunification therapy exists The therapist works firstly with the individual family members and then with all the family in conjoint sessions The manual expertly guides clinicians through pretreatment decisions and processes to enable them to decide where when and in what form reunification therapy is appropriate taking into account ethical legal and special family issues Detailed chapters outline the structure and issues for

the individual and conjoint sessions as well as a step by step treatment plan template Additional tools in the Appendix enable clinicians to monitor and effectuate change

**Family** David Cheal, 2003 This international collection features the most influential scholarship published during the past few decades on the concept of the family and related issues An invaluable resource for students and researchers alike the four volumes cover the following themes Vol 1 Family Groups Vol 2 Family and Gender Issues Vol 3 Family Ties Vol 4 Family and Society The scope offers an international range of material and includes key work from the USA Europe Canada Australia and Asia

**The Routledge International Handbook of Shared Parenting and Best Interest of the Child** José Manuel de Torres Perea, Edward Kruk, Margarita Ortiz-Tallo, 2021-05-26 This multidisciplinary volume offers an essential comprehensive study of perspectives on the scope and application of the best interests of the child and focuses mainly on its application in relation to child custody With expert contributions from psychological sociological and legal perspectives it offers scientific analysis and debate on whether it should be the primary consideration in deciding child custody cases in cases of divorce or separation or whether it should be one of several primary considerations It explores complex dilemmas inherent in shared parenting and whether the advantages it offers children are sufficient when compared to attributing custody to one parent and limiting visitation rights of the other Offering a comprehensive analysis of this complex topic chapters provide detailed insight into the current state of research in this area as well as expert guidelines aimed at resolving the controversies when parents agree or disagree over their children's living arrangements Cutting edge topics explored include transnational shared parenting alternative dispute resolution breastfeeding parents religious disputes between parents and the psychological social and economic factors that affect shared parenting The Routledge International Handbook of Shared Parenting and Best Interest of the Child will be essential reading for scholars and graduate students in law psychology sociology and economics interested in shared parenting and family law

**Reshaping Fatherhood** Anna Dienhart, 1998-05-27 Current research on fatherhood often focuses on minimal changes men have made in their participation in family life Anna Dienhart argues that men have indeed made significant changes to their family roles but those changes are often masked in existing discourses on fatherhood In Reshaping Fatherhood Dienhart's qualitative study of 18 shared parenting couples explores both men's and women's resourcefulness and shows how these couples have deliberately co created alternatives to traditional parenting roles Using these narrative accounts Dienhart offers several options for creating a family structure that allows both mothers and fathers to participate actively in parenting Dienhart emphasizes that tag team parenting a common technique that couples use to juggle the responsibilities of a hectic family life relies on both the interchangeability of parental tasks as well as the specialization by preference Dienhart compares shared parenting to a dance that demands continuous revision of the perceptions and activities of fatherhood and motherhood She challenges family researchers to move beyond deficit and comparative model perspectives about the complexities of gendered family life as she offers alternative ideas about division

of labor patterns men's relational capabilities in child care the preeminence of men's provider role and traditional notions about gender and politics in families This timely book is ideal for professionals and students in family studies sociology of the family family psychology and gender studies

**Family Man** Scott Coltrane,1996-03-28 The typical American family has changed

dramatically since the days of Ozzie and Harriet and Father Knows Best Double income families are now the rule and fathers are much more involved in raising the children and cleaning house Reactions to these changes have been diverse ranging from grave misgivings to a sense of liberation and new possibility Groups as diverse as Promise Keepers the Million Man March and Robert Bly's mythopoetic men's movement tell us that fathers are important From the fundamentalist right to the feminist left opinions about the changing nature of the family and the consequent rethinking of gender roles have been vehement if not always very well founded In *Family Man* sociologist Scott Coltrane brings a wealth of compelling evidence to this debate over the American family Drawing on his own extensive research and many fascinating interviews Coltrane explodes many of the common myths about shared parenting provides first hand accounts of men's and women's feelings in two job families and reveals some innovative solutions that couples have developed to balance job and family commitments Readers will find an insightful discussion of precisely how and why family life has changed what forms it may take in the future and what new kinds of fathers may be on the horizon The author firmly places these questions within a broad contextual framework He provides for instance an illuminating history of the family that shows that far from being a fixed structure the family has always adapted to changing economic social and ideological pressures And by examining how families operate in a variety of non industrial societies he demonstrates that our own notions of gender specific work and parenting roles are culturally rather than biologically determined and thus inherently flexible And indeed these roles are changing While contemporary American women still perform the bulk of domestic tasks *Family Man* gives us decisive evidence that men are becoming increasingly involved in both housework and childrearing Coltrane argues convincingly that this trend will continue Given the current economic situation with two job households now the norm and the gradual ideological shift away from restrictive gender roles more and more couples will find it both necessary and desirable to share the workload More important Coltrane suggests that as fathers participate more fully in raising their children and performing traditionally female household tasks men will themselves be transformed by the experience in profoundly positive ways and American society as a whole will move closer to true gender equity *Family Man* succeeds brilliantly in bringing clarity perspective and above all hope to a discussion that is too often shrill chaotic and beset with the rhetoric of nostalgia It shows us not only exactly where the family is today but where it has been and what it may become

Yeah, reviewing a ebook **Sharing Parenthood** could go to your close associates listings. This is just one of the solutions for you to be successful. As understood, triumph does not suggest that you have fabulous points.

Comprehending as competently as conformity even more than supplementary will have enough money each success. next-door to, the broadcast as without difficulty as insight of this Sharing Parenthood can be taken as with ease as picked to act.
