## **Sharing Christ With Your Mormon Friends:**

*Sharing Christ with Your Mormon Friends* Cary Trivanovich, 1991-01-01      *Sharing the Good News with Mormons* Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it? Someone you know is a Mormon, a family member, a coworker, a friend, or a neighbor, and you long to present the truth about Jesus and what God's Word teaches. But where do you start? How can you convey what's on your heart in a way that will be well received? Every relationship and situation is unique, and that's why these essays from respected scholars, apologists, and pastors, including Sandra Tanner, Robert Bowman, David Geisler, Bill McKeever, Mark Mittelberg, J. Warner Wallace, Lynn Wilder, and others, lay out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations, respond with compassion and clarity to Mormon teachings, understand your Mormon friends, and find ways to keep the dialogue going. Speaking the truth to Mormons can feel daunting when you're unprepared. Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it.

**What Do I Say to Mormon Friends and Missionaries?** Donna Morley, 2011-01-01 Have you ever wondered what to say to Mormon missionaries who come to your door? Do you feel uncomfortable about sharing your Christian faith with a Mormon friend, coworker, or neighbor? Have you wished for a clearer understanding of the differences between Mormonism and Christianity? If you've ever wanted a friendly, easy-to-use guide for talking with your Mormon friend or acquaintance, you'll find this book an ideal help. In her warm, personal style, Donna Morley will equip you with the basic essentials for pointing Mormons to Christ and biblical truth. In this expanded edition of what used to be *A Christian Woman's Guide to Understanding Mormonism*, Morley provides many practical illustrations and step-by-step guidelines, along with study questions and a simple yet powerful tool called a Fact Sheet, which will build your confidence in sharing your faith with Mormons. Also included is an LDS Photo Album. Morley includes an LDS Photo Album, which would be of interest to anyone interested in Mormon history or to just put a face in the reader's mind of the many characters in the Mormon story. A Gift to Mormons. Morley has not only written this book to assist Christians, but if the Christian feels led, this book can be given as a gift to a Mormon. Throughout this book are boxed notes that say "Mormon Friend, Please Consider Again," which will help the Christian converse with Mormons, but too, it's made personal enough with much politeness that if you feel led to give it to a Mormon friend, he or she will feel that with much love it was written for just for him or her. Endorsements: This book has been endorsed by many, such as Today's Books, giving Morley accolades from this book's first printing. EXCEPTIONAL. Others have also endorsed this book, such as Bill McKeever, Founder of Mormonism Research; Duane Magnani, Director of Witness Inc.; Angela Goedelmann, Personal Freedom Outreach; Fritz Ridenour, Author of the Best Seller *What's the Difference?*; Dr. Ed Hindson, Assistant Chancellor, Liberty University; Christine D. Anderson, Editor, Lifeway Church Resources, and more.

**The Mormon Missionaries** Janis Hutchinson, 1995 A presentation of the various techniques and strategies used by Mormon missionaries. Based on the author's firsthand experience in Mormonism.      *God in 60 Seconds* John Ankerberg, Dillon

Burroughs,2020-04-27 God in 60 Seconds boils down more than 100 issues that affect people's beliefs about God Time pressed readers will appreciate these impactful one to two page treatments of topics like How is Christianity different from other faiths What is God like How can we know that what the Bible says is accurate Was the Jesus described in the Bible invented by the disciples Why does God sometimes seem distant and inaccessible A great resource to help readers bring theology into their everyday lives which is where God has always meant it to be *Engaging with Mormons* Corey Miller,2020-11-01 Many people see Mormons as just another branch of the Christian church and to be admired perhaps for their family life morality and upright culture But the theology and spirituality of this cult are very far from an orthodox biblical understanding of true saving faith And yet Christians are often fearful of engaging in conversations about the gospel with Mormons knowing that there are suspicions and complex issues that lie beneath the surface This short book is designed to help both Christians and whole churches to understand more about the beliefs mindset and motivations of those who are members of the Church of Jesus Christ of the Latter Day Saints Mormons and to reach out to them with the good news of the gospel Written at a level that everyone can understand this book emphasizes the importance of forming loving honest and open relationships as part of the way we engage with our Mormon friends and neighbors and with those who may come knocking at our doors Directory of Religious Organizations in the United States J. Gordon Melton,1993 *Answering Mormons' Questions* Bill McKeever,Eric Johnson,1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world's countries It's clear that their influence is still growing in our communities places of business and in the political arena It's also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co workers and from fellow believers as well In this updated and expanded edition of McKeever's popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle such tough questions as Why don't you accept Mormons as Christians Do you believe Mormonism is a cult If the LDS church is not true which church is How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons **Sharing Christ with Mormon Friends** Michael H. Reynolds, **Subject Guide to Books in Print** ,1975 How to Witness to a Mormon Jerry Benson,Dianna Benson,2019-08-12 Mormonism is one of the fastest growing religions in the United States Because Mormons use Christian terminology many are stymied in their ability to effectively witness to them How to Witness to a Mormon is a handy eBooklet that defines documents and refutes basic Mormon teachings Jerry and Diana Benson offer practical tips on how to approach

witnessing to a Mormon and provide ample information from Mormon sources      **Introducing Christianity to Mormons**

Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints, it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism, *Introducing Christianity to Mormons* is the guidebook you need to witness to them. Inside, you'll find real-life conversations that give you helpful ideas for what to say in your discussions, contrast points between Mormonism and Christianity that illuminate God's truth, biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church, and get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community.

**Book of Mormon Seminary Teacher Manual** The Church of Jesus Christ of Latter-day Saints, 2013-10-22 This manual is a resource to help seminary teachers prepare lessons from the scriptures. It provides 160 lessons that contain teaching suggestions, doctrines, and principles, and scripture mastery helps. In addition, there are 32 lessons for teacher of home study classes that correspond to *The Book of Mormon Study Guide for Home Study Seminary Students*.

**Book of Mormon Seminary Home-Study Guide** The Church of Jesus Christ of Latter-day Saints, 2013-10-22 The home study seminary program is designed to help you strengthen your understanding of the gospel of Jesus Christ and apply its teachings in your daily life through a study of the scriptures. For your study this school year, you will first complete reading assignments from the scripture text for this course, the Book of Mormon, and then you will complete the individual lessons. Once a week, you will meet with a seminary teacher to submit your work and participate in a weekly lesson. Seminary is a daily religious education program. Prayerfully studying your scriptures should be a daily practice. You will need to work on your seminary assignments each school day, even though you will not attend a seminary class each day. There are 32 units to be completed during the course. The reading chart on page viii shows what you should study for each unit. Your teacher will help you understand when each unit is due. The lessons in this study guide should each take about 30 minutes to complete in addition to your daily scripture study. You should have two scripture study journals or two notebooks separate from your personal journal in which you will write the assignments from the study guide activities. Each week that you meet with your teacher, you should turn in the scripture study journal containing the completed assignments from the study guide activities you completed for that week. Your teacher will read and respond to the assignments and return that scripture study journal to you the following week. You could also write your responses on paper in a loose leaf binder and turn in the pages you did that week. Then, when your teacher returns the pages, you could put them back into the notebook.

**Responding to the Mormon Missionary Message** Corey Miller, Ross Anderson, 2023-08-15 The

Church of Jesus Christ of Latter day Saints Mormon has 90 000 missionaries in the field seeking to convert members of Christian churches Because the lessons these missionaries teach represent the core claims of Mormonism this book interacts with those lessons from a biblical perspective Written and edited by former Mormons who are now Christians it includes insider knowledge personal stories cultural insights evangelistic wisdom and best practices from former LDS missionaries themselves to help Christians fortify their own faith while learning how to share their faith wisely and effectively with Latter day Saints Endorsements I loved this book There is a lot of wisdom here for the compassionate Christian who wants to be effective in witnessing to the Mormon missionary returned missionary or their LDS neighbor Dr Paul Robie Founding pastor of Utah s largest church South Mountain Community Church LDS missionaries are coming and they need you to engage them with the good news that faith alone in Christ alone saves This book fills a major void in equipping Christians to that end Dr Bryan Hurlbutt Lead pastor of Lifeline Community in West Jordan Utah For the Christian who wants to better communicate with those Mormons who come to their doors as well as with their Mormon friends and family members this resource will prove to be an educational primer in considering the fundamental concepts of Mormonism Eric Johnson Cohost of Viewpoint on Mormonism I recommend this book to anyone seeking to better understand and talk with their LDS friends Sandra Tanner President of Utah Lighthouse Ministry This is an excellent resource for Christians who desire to understand and witness to Mormon missionaries Readers should discover insights that enable them to have fruitful discussions with LDS missionaries Dr Lynn Wilder Founder of Ex Mormon Christians United for Jesus This is the perfect book for any Christian who wants to understand his Mormon neighbors Jeremy Howard Staff pastor at Orchard Hills Bible Church in Payson UT

David L. Rowe, 2005-08-01 David L Rowe asserts that many Mormons view Christian witnessing as Bible bashing What Christians need to understand he suggests is that Latter day Saints are an entirely separate ethnic group with their own history values and customs Evangelizing Mormons can be so much more effective if Christians first know understand and respect Mormon heritage With helpful illustrations and discussions of Mormon values and theology Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences In the end Christians will be more approachable representatives of Christ
