Church Reform and Leadership of Change Harald Askeland, Ulla Schmidt, 2016-01-01 Reforms and processes of change have become an increasingly pervasive characteristic of European Protestant churches in the last fifteen to twenty years Driven by perceptions of crises such as declining membership rates dwindling finances decreasing participation in church rituals and less support of traditional church doctrine but also changes of governance of religion more generally many churches feel compelled to explore new forms of operations activities and organizational structures What is the inner dynamic and nature of these processes This book explores this question by applying perspectives from organizational studies and bringing them into dialogue with ecclesiological categories seeking to provide a richer understanding of the field of processes of change in churches Among the questions asked are What are the implications organizationally and ecclesologically of viewing reform as a church practice and how does this relate to much more comprehensive waves of public sector reforms How is church leadership configured and exercised how is democratic leadership related to the authority of ordained ministry and how does leadership take on new forms in the context of churches And how do churches incorporate organizational practices of planned change and renewal such as social entrepreneurship

Co-Leadership in the Arts and Culture Wendy Reid, Hilde Fjellvær, 2022-12-26 This book is about co leadership A leadership practice and structure often found in arts organizations that consist of two or three executives who bridge the art and business divide at the top Many practitioners recognize this phenomenon but the research on this topic is limited and dispersed This book assembles a coherent overview and presents new insights of the field While co leadership is well institutionalized in the West it is also criticized for management s constraint of artistic autonomy and for its pluralism that dilutes leadership clarity However co leadership also personifies the strategic objectives of art audiences organization and community by addressing plural logics navigating the demands of artistic vision and organizational stability It is an integrating solution The authors investigate its specifics in the arts including global practice and its interdisciplinary nature The theoretical frame of plural leadership supports their empirical explorations of the dynamics within the co leadership relationship and with organizational stakeholders Data includes the voices of co leaders artists staff and board members from arts organizations in Canada and Norway Their abductive

reflection generates a stimulating research experience By viewing co leadership in action not as a study of static theories the book will appeal not only to students and researchers but also resonate with practitioners in arts and cultural management and assist them to work with co leadership and to manage its tensions Chapters 1 and 4 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
