Fair Share Isaac Elishakoff, 2024-05-03 Kofi Annan former Secretary General of the United Nations argued that We need to create a world that is equitable that is stable and a world where we bear in mind the needs of others and not only what we need immediately We are all in the same boat American businessman John Landgraf stated I hope that most of us believe that we actually would all benefit from living in a more equitable society If that's not happening we're squandering human potential For the world to be fair one needs to know how to divide Without the mathematics of division humankind cannot function Marie Antoinette Queen of France infamously said If people have no bread let them eat cake and while Ahmes the scribe of the Rhind Mathematical Papyrus dealt with loaves of bread prosperous people in the twentieth century dealt with cake division although bread is also uniformly available You'll be surprised but there are at least four books and over 200 scientific not gastronomic papers on cake division Those authors were not overly concerned with obesity one can guess but whether distributing loaves cakes chores or dividends one needs to master division This book deals with a wide spectrum of division problems and provides the historical background giving a sense of how pervasive division is in our lives In particular the second part focuses on a problem that remained open until 1985 when Professor Robert John Aumann Nobel laureate in Economics 2005 and Professor Michael Maschler solved it using game theoretic techniques Simple alternative solutions are given which are suitable for high schools and other educational institutions

Grandmother's Gift Bob Hawkes, 2004-04 Eddie is the recipient of a gift handed down through the ages in his family Though this gift is usually handed from grandmother to granddaughter It once again has fallen into the hands of a grandson The gift is as precious as the family it is handed down through It is an essential part of grandmother's life She needs to school Eddie in not only the power of the gift but also the need to help others when called upon It is all a part of the gift Eddie must learn and control Edith the grandmother needs to not only educate her grandson on the powers of the gift but also needs to continue assisting her friends with her own form of it Friends she has been with for years They are dependent on her and her ability to use the gift in assisting them She will not let them down Her enlisting Eddie to assist her in satisfying the needs of her friends is the tale that unfolds It is the two of these wonderful people assisting those needing their help that leads to

understanding the importance of such a gift and the need to use it in its most precious form There have always been those with these abilities among us Through these two it is hoped you gain some understanding and the need we have for them to continue their work

Memorabilia and Memories Shared Will Kalinke,2011 Grandparents want to leave some memories for their grandchildren but may have a difficult time reading or writing Memorabilia and Memories Shared offers assistance to them and to their grandchildren Intended to be read together it seeks to job important memories of times gone by Guided questions will help grandparents and grandchildren to collaborate in creating a verbal or written account of those precious memories In an example of this method author Will Kalinke has written his fondest memories in Memorabilia and Memories Shared with the hope that others will do the same thing After you've dabbled with this book you should be ready to try to write your own treasured memories for your loved ones Record your memories for the generations to come Focus on exploring creating expanding and recording important memories to offer a bit of yourself a true legacy for posterity It is more important to capture memorabilia and memories and that of loved ones today before it is too late

Generational Gifts: The Legacy Of Evelyn Marie Laura Lea White,2015-01-06 My grandmother left a legacy when she passed from this life In a folder containing hundreds of her unpublished poems I discovered a treasure Her poems told of her dreams and disappointments her love and loss and her resilience in an era of economic depression and world war Deeply impacting emotionally challenging humorous soulful and honest her poetry was a creative expression of her life and a healing balm for her grief It is a wonderful gift to all future generations This story peeks into a young girl s life filled with challenges She overcame these challenges and developed into a beautiful young woman It tells of a young love affair that collapses into a tail of abuse and alcoholism It is my hope that this book will encourage others to write about their own family memories and share their gifts with generations of readers all around the world **The Relational Pastor** Andrew Root,2013-03-04

Practical theologian Andrew Root dissects relational ministry as we have come to understand it calling for a new breed of empathic minister to take the helm in our churches Bringing current practice in touch with incarnational theology Root searches for a more robust understanding of the relationships that make up the body of Christ **Grandma Is a Saint** Will Kalinke,2011-01-27 James Marten is immature irresponsible and newly released from prison Set in his devil may care ways he is shocked to learn of the murder of his beloved Grandma Mary He is even more shocked to learn he has inherited her full

estate and multiple international business holdings Immaturity soon falls by the wayside as James is forced into a position of extreme responsibility He remembers Grandma Mary well having always thought of her as a saint The more James learns of his dear grandmothers past however the more he begins to doubt her sainthood and the more he realizes his inheritance may be a death sentence James is led down the path of a disturbing mystery who would want his grandmother dead And are the same people trying to put him in the grave as well Grandma Is a Saint is the retelling of the effects of one womans life and the secrets she passed onto her grandson What occurred within the missing gaps of Grandma Marys life What does it have to do with James And will he be able to solve the mystery before the personal dangers attached to his inheritance bring him down A nontraditional coming of age tale Grandma Is a Saint will keep you guessing as James Marten grows in ways he never expected Forging Bonds of Steel Rodger Alan Friedman,2014-07-11 As a wire house advisor for 30 years Rodger

Friedman knows how to forge the relationships that are crucial to a successful retirement A natural storyteller Friedman recalls marveling at the massive steel chains that moored the cruise ships in New York Harbor when he was a boy He likens those mighty links to the bonds between advisor and client Forging Bonds of Steel explores how to form such a relationship that will serve your family for generations Friedman knows what it takes to make a portfolio last for a lifetime and beyond but first and foremost he understands you need a financial advisor you can trust Deep trust develops only over time and it starts with getting to know each other An advisors first inquiry should be Tell me about your family Friedman s work ethic and sense of responsibility to others came from his own family He grew up in New York City and was the third generation working in his family s laundry It was there that he learned success comes through exemplary service and honesty Rodger Friedman speaks from the heart Every page is like a visit with an old friend who cares enough to tell it like it is He shows you how to build the kind of rapport that will endure for years to come Aging with Wisdom Olivia Ames
