Simpson,2023-03-09 One of the most influential thrillers in media history Jaws first surfaced as a best selling novel by first time novelist Peter Benchley in 1974 followed by the 1975 feature film directed by Steven Spielberg at the beginning of his storied career Jaws is often considered the first blockbuster and successive generations of filmmakers have cited it as formative in their own creative development For nearly 50 years critics and scholars have studied how and why this seemingly straightforward thriller holds such mass appeal This book of original essays assembles a range of critical thought on the impact and legacy of the film employing new perspectives historical cinematic literary scientific and environmental while building on the insights of previous writers While varying in focus the essays in this volume all explore why Jaws was so successful in its time and how it remains a prominent storytelling influence

well into the 21st century *Diversity across the Arabian Peninsula* Fabio Gasparini, Kamala Russell, Janet C.E. Watson, 2024-10-17 This edited volume brings together a diverse and rich set of contributions on the Arabian Peninsula Ranging from history field linguistics and cultural studies these essays address the diversity of languages ways of life and natural environments that have marked the region throughout its history The book stems from the intellectual exchange and collaboration fostered by a virtual workshop that met regularly in 2020 21 and which drew participants from within and beyond the academy The contributions gathered in this volume highlight the need for a better understanding of a region that hosts a vast amount of culturally and linguistically diverse material often in a precarious state of conservation Diversity Across the Arabian Peninsula argues for the importance of holistic community based and interdisciplinary approaches to linguistic endangerment and deep social and cultural changes there is no documentation of language without attention to language use the material lifeworld and its ecology and social and cultural setting Such research is enriched and made more impactful through collaboration with communities and scholars from the Global South The essays in this volume thus spearhead a contextualized study of South Arabian linguistic varieties and their connection with the natural and cultural world they inhabit *Troubled Waters* Jean Davidson, 1991 Romance It was infuriating to be told by an arrogant American that Sally's favourite beach on the Greek island of Kouros was out of bounds to her **Shark!
