from The Bachelor and RuPaul's Drag Race to cheer and specialized contests like those for children Indigenous women and contestants with disabilities Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies including Miss America's ableist and racist history Trump's ownership of the Miss Universe Organization and the death of child pageant winner JonBenét Ramsey Presenting a more complex narrative than what's been previously portrayed Here She Is shows that as American women continue to evolve so too will beauty pageants
