Philosophical Children in Literary Situations Peter Costello, 2020-10-28 Philosophical Children in Literary Situations Toward a Phenomenology of Education argues that both phenomenology and children s literature can assist one another in understanding the lived experience of children Through careful readings of central figures in the phenomenological tradition including Husserl Heidegger and Merleau Ponty Costello introduces both the novice and the scholar to the phenomenological method of describing community emotion religion gender and loss experiences that are central to all humans but especially to the developing child When turning to literary analysis Costello

uses the phenomenological theory discussed to open up the literary texts of familiar and award winning children's chapter books toward new layers of interpretation reading such novels as *To Kill a Mockingbird* *A Wrinkle in Time* and *Charlotte's Web* to participate in ongoing conversations about childhood perception within children's literature studies and philosophy for children. Scholars of philosophy education literary studies and psychology will find this book particularly useful.

Beating Captain Najork Todd R. Nelson, 2006-11-12 Weekly columns by an elementary school principal during his six years in a small town in Maine **Affordable Housing in Charlotte** Tom Hanchett, 2025-05-27 Locally regionally and nationally the lack of affordable housing is an urgent and ongoing issue As elected officials rush to ramp up aid for the construction of affordable apartments scholars and policymakers are asking how our present system of housing subsidies both its strengths and its shortcomings came into being In this book Tom Hanchett takes a case study approach tracking low rent housing in the growing city of Charlotte North Carolina from the beginnings of public housing circa 1940 to the present Looking beyond policy battles in Washington Hanchett tells an intimate history of how federal initiatives played out on the ground making clear connections between the creation of federal housing programs and how agencies interacted

with local and state forces to actually produce housing Using Charlotte as a lens Hanchett shows in detail how power brokers have clashed on all levels of government and yet have the ability to empower both citizens and elected officials to take action toward better housing for all in North Carolina s most populous city and beyond
