

The word of God is living and active.  
Sharper than any double-edged sword,  
it penetrates even to dividing soul and spirit,  
joints and marrow; it judges the thoughts  
and attitudes of the heart.

Wilkins,2006-05-10 There are over 600 New Religious Movements NRMs in Great Britain alone and more than 2000 in the United States A Reader in New Religious Movements provides an introduction to the main teachings of a selection of these organizations focusing on those that are well established in the West The contemporary and in some cases controversial NRMs covered include the Unification Church the International Society for Krishna Consciousness the Family Osho Soka Gakkai International and the Western Buddhist Order [Bible Manifesting Techniques: From the Author of Twenty-Five Neville Goddard Manifesting Techniques](#) Walter Crosson,2022-11-22 The Bible is the ultimate Law of Attraction manifesting guide Throughout this ancient text reference is made to the almighty attractive power of our words thoughts and feelings You see the Bible is not secular history nor are the characters found within real historical people The characters and the allegorical dramas portrayed throughout this mystical book are designed to teach the reader about God s Law The Law of Attraction God dwells within us as and is the I AM manifesting power that is projected from our faculty of imagination After reading this book you will discover that God who resides within your imagination creates your reality because your imagination is God in action **The Walls Fell Down** Brian Van Cleave,2025-01-27 Brian Van Cleave s The Walls Fell Down is written in the same storytelling style as his previous two books Jesus A Man s Man and Out of the Wilderness Through personal life stories and the challenges Joshua and the children of Israel faced in conquering the Promised Land Brian shows that the foundation of a Christian s walk of faith with Christ is obedience This obedience is not a legalistic list of dos and don ts but a way to join God into a victorious outcome The author weaves solid biblical teaching with personal life lessons to paint a unique and practical picture of how obedience in our walk of faith will bring us freedom and joy as we see walls that have been blocking our path tumble before us Whether you read it just once or dig deeper with the study guide this book will speak to inspire and motivate you into a deeper understanding of what it means to become a faith filled obedient Christian

**The Epistle to the Hebrews** Samuel Ridout,2015-04-18 Publisher s Introductory Back in the eighteen and early nineteen hundreds there were a group of men known as the Plymouth Brethren These men had many writings and many of them were taken from Lectures given in many areas and at different times during this era Some were given in different languages and then translated into English I have taken many of these writings and messages and formatted them so they could be read on tablets and phones In other words they are in epub and mobi formats I have set up indexes with headers and have enabled text to speech I then run them through a checker to make sure the ebook format is without errors In doing this I have produced a high quality product for a very low price These are not just scanning of old writings but have been completely redone by hand I started doing this for my own private use I found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures I too got permission via email which I have on file I now have over 230 of these writings in ebook format on Amazon for the Kindle and

on Google play for the Android OS Hopefully this number will keep increasing as time goes on Prefatory Note There is no introduction to the Epistle to the Hebrews and little need for any preface here Where Christ is the absorbing theme everything must yield to Him and explanations are out of place The main themes of the book are the person of Christ His priesthood and sacrifice and the place into which He has introduced His people Everything is measured by these standards and loyalty to Him is the crucial test for all that would claim attention In these closing days of the Church s history where there is a strong tendency back into that which apes Judaism a carnal religion without divine power and where the person of our Lord is lightly esteemed if not absolutely degraded it is to be hoped that this little book will serve to call back the thoughts of His people to One who is worthy of all their attention allegiance and worship May the Lord graciously use it solely to the glory of His own peerless Name S Ridout Commentary on the Whole Bible Volume VI (Acts to Revelation) ,

Quiggle,2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the

author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church *Preach the Word* , **Fresh Oil** Chris Garcia,2024-11-12 What if the greatest blessing we could ever receive is the manifested presence and power of God After reading this book I will understand the importance of developing an intimate and personal relationship with the Holy Spirit As I go deeper with the Lord I will experience His love and understand His power and authority in an entirely new way There is a famine in the church at large it is a lack of fresh oil in our personal fellowship with the Holy Spirit The Western mindset is built upon the principles of intellect philosophy and reason These principles are not inherently wrong but they are a far cry from the passionate biblical approach to engaging with God The knowledge of God is so much more than intellect and reason It is more than a mental understanding rather it is a deep intimate spiritual knowing and life union with Christ The spiritual affects the natural and in Fresh Oil Chris Garcia a pastor and popular social media minister with over 100 000 subscribers to his YouTube channel helps believers develop a greater hunger for God s presence and Word and increase their sensitivity to the Holy Spirit This book will help readers to Stop being led by their flesh and an unrenewed thought life Experience a more exciting prayer life and enter a greater level of worship and victory Understand their positional reality and the victory that has been offered to them through Christ Teaching simple keys to help believers experience a greater awareness of God s presence this book will help stir readers into deeper communion with the Holy Spirit producing fresh oil in their lives **"The Seven Churches;" a Series of Seven Popular Discourses on the Second and Third Chapters of the Revelations ...** William Francis Taylor,1855 **The Whole Armor of God: What Are You Wearing Today?** Jewel Martin,2024-03-07 Have you ever been in a spiritual battle and didn t know what to do In The Whole Armor of God What are You Wearing Today author Jewel Martin shares a strategy on how to win the war She offers a story of her own spiritual awakening and growth as she put on the armor of God piece by piece like the Apostle Paul describes in his epistle to the Ephesians Martin narrates her journey of seeking God and discovering the spiritual key of dressing with God s armor while encouraging others to never give up She wants you to know if you re experiencing a storm in life that God is still in the miracle working business In The Whole Armor of God What are You Wearing Today Martin describes how someone can be delivered healed and set free by the power of God s word and by putting on the whole armor
