literature in the light of linguistic theory and the implications of this analysis are applied to a number of passages in the New Testament Historically the treatment begins with a clear grammatical principle articulated by Granville Sharp and it ends with the present day confusion This book includes a detailed examination of the New Testament data and other Ancient Greek literature which reveals that Sharp's rule has a general validity in the language Lastly a number of exegetically significant texts that are affected by the linguistic phenomenological investigation are discussed in detail This enlightening text is a valuable resource for undergraduate and graduate students of religion linguistics history and Greek **Sharpe's Siege (#9)** Bernard Cornwell, 2001-11-01 Sharpe's mission has seemed simple capture a small unguarded French coastal fort cripple Napoleon's supply lines and retreat across the sea But behind the lines Sharpe's old enemy Pierre Ducos awaits Sharpe's arrival with a battalion of French soldiers and a vicious commanding general who keeps the scalps of his dead enemies as trophies Outmaneuvered by Ducos's treachery and abandoned by his own navy Sharpe has only two choices to escape with the aid of the charming unscrupulous American mercenary Cornelius Killick or die Sharpe's London Magazine, 1849 **SHARP Stop Heroin and Rescue People** Paul Komarek, 2015-02-03 We have seen far too many heroin deaths It is time to adapt This book shows the path to safety Disconnected and under resourced treatment systems actually boost fatal risk The first part of this book describes what it takes to build safety The second part of the book is for people and families who must move from the point of active heroin use to the point of safety The third part is for everyone It is about creating a positive safe world the kind of environment that prevents drug use and sustains recovery SHARP Stop Heroin and Rescue People is a consensus based approach that makes a complex scary problem easy to understand Written by a social service expert this book delivers solutions It's realistic specific hopeful and positive *Sharpe's London Magazine of Entertainment and Instruction*, 1849 Shadows & Sharp Tongues Maya Lenboo, 2025-08-17 A fake romance A very real corpse And a mouth she just can't keep shut When disaster consultant Sloane Vega inherits half a fortune and a box of blackmail material from her ex fiancé she doesn't buy the accidental death narrative Enter Devlin Vega the dead man's painfully hot emotionally unavailable brother He's got secrets a jawline that should be illegal and absolutely no time for Sloane's sarcasm Forced to play lovers while hunting a killer they'll uncover more than lies in the shadows like an inconvenient attraction and a very real chance at something dangerous the truth Smart sexy and razor sharp Shadows Sharp Tongues is a slow burn romantic suspense that turns enemies into lovers and trust into foreplay Sharpe's Rifles (#1) Bernard Cornwell, 2001-02-01 Bernard Cornwell's action packed series that captures the gritty texture of Napoleonic warfare now beautifully repackaged It's 1809 and Napoleon's army is sweeping across Spain Lieutenant Richard Sharpe is newly in command of the demoralized distrustful men of the 95th Rifles He must lead them to safety and the only way of escape is a treacherous trek through the enemy infested mountains of Spain **Cassell's Magazine**, 1885 Sharpe's London magazine, a journal of entertainment and instruction.
