Sharrons Song:

Sweet Song of Sharon Charles Alan Long,2020-10-21 SWEET SONG OF SHARON WAS OF HER GLORY BUT MUCH MORE Sharon and Charles were born educated and in love in fundamentalist Kansas both attending a conservative protestant church Tragedy and poverty forced her marriage to another It eventually failed The supernatural event seemed to bring the long separated pair back to an impossible love Odds against were their ages and health finding each other after 65 years of separate adult lives and so many years of unrequited love Reunited the love ecstasy was so incredible for two people bonded hopelessly for many years that too was a miracle It defied age poor health her family a suicidal dying woman a thousand miles distance between our homes There is much more arising from this miracle The poet and Sharon considered it love from heaven After sharing bliss and happiness the poet wrote a poem of Sharon s momentous magnificent song of love After becoming a naturalist with math background and great giants teaching sciences some observed miracles could not be explained Since college he was also a transcendentalist and the suddenly revealed supernatural events from Quantum Physics made God and Jesus make sense But many fundamentalists believe every word in the Bible Genesis was written by Moses with two odd myths on creation A preacher who said that this 12 billion years old universe was only 6000 years Some accept Egyptian science long before science was invented Joyously I found an obscure scripture the truth about Moses from a dying martyr full of the holy spirit face shining like an angel Moses was set out outside to die and then raised by the Pharaoh s princess All his learnings were Egyptian wisdom for a full 40 years He was 80 before God began to give him His holy word Now that Science is amenable on the supernatural God may be tired with an evil war against science based on Egyptian myths Perhaps thanks to God we can trust one another Revelation is logical And Sharon s song of love is holiness and love but was not only for the poet But love has its glory

musician from the start singer songwriter Joni Mitchell's style of composing performing and of playing and tuning the guitar is unique In the framework of sexual difference and the gendered discourses of rock this immediately begs the questions are Mitchell's songs specifically feminine and if so to what extent and why Anne Karppinen addresses this question focusing on the kind of music and lyrics Mitchell writes the representation of men and women in her lyrics how her style changes and evolves over time and how cultural context affects her writing Linked to this are the concepts of subjectivity and authorship when a singer songwriter sings a song in the first person about whom are they actually singing Mitchell offers a fascinating study for the songs she writes and sings are intricately woven from the strands of her own life Using methods from critical discourse analysis this book examines recorded performances of songs from Mitchell's first nine studio albums and the contemporary reviews of these albums in Anglo American rock magazines In one of the only books to discuss Mitchell's recorded performances with a focus that extends beyond the seminal album *Blue* Karppinen explores the craft of Mitchell's songwriting and her own attitudes towards it as well as the dynamics and politics of rock criticism in the 1960s and 1970s more generally

Remembering Sharon Nick Pelino, Jr., 2012-07-17 Remembering Sharon is a play Nick wishes did not have to be written It is a personal story Sharon is was a friend even after all these years it is still difficult to write Putting Sharon in the past tense is not easy This project talking about this project considering this project wondering about it planning it thinking about it outlining it and shaping it has kept Sharon in my present for many years since her death her murder I don't like that reality I often wonder what her life might have been how we may have grown as friends Would we have grown closer or drifted apart Friends do that I have stayed close with the rest of her family Was that because of her murder Did her death bond us more significantly These things all these things became the foundation for Remembering Sharon How can empathy be shown Can it be shown Should it be shown What is tasteful Is that really my job as a playwright In past works that dealt with unsolved crime Sharon was my silent motivation It didn't quite get the word out as forcefully as I wanted my Hall Mills play was a Hall Mills play I am still OK with that I seemed to have a knack for this kind of thing I brought up Sharon in every interview but good writers stuck to the main subject I had to accept the best way to bring attention to Sharon was to write about Sharon Remember Sharon So with this play I am remembering Sharon As audiences are told very quickly Sharon was my friend who disappeared from her home two days before her sixteenth birthday in 1982 She was found murdered in a wooded area only a few yards away from her family home Remembering Sharon is probably not just a play it is an experience It is a hope for an opportunity for a community to come together to talk about this loss and perhaps bring a resolution to this unsolved murder in contemporary 2012 It may also serve as a reminder to all of us that we must take care of our loved ones and talk talk Talk about safety and common sense issues about safety and crime prevention and a better awareness of how we can keep ourselves and children safe

The Rose of Sharon Olubusayo Aina,2024-11-22 There are many biblical teachings I heard whilst growing up which I must say I believed until I discovered from the scriptures that they couldn t be farther from the truth Strangely some of these teachings have been embraced and even postulated by prominent christian leaders men and women who you d have no reason to doubt their knowledge of the scriptures The sad truth however is that it only takes one person to start a hoax and then many others ignorantly subscribe to such heinous heresies Perhaps more worrying is the suspicion that some of these wrong scriptural interpretations were orchestrated from the kingdom of darkness And it wouldn t be a surprise as Apostle Paul already warned us through his first letter to his protege Timothy that such will be prevalent in the last days a period we re currently in As it is written Now the Spirit speaketh expressly that in the latter times some shall depart from the faith giving heed to seducing spirits and doctrines of devils Speaking lies in hypocrisy having their conscience seared with a hot iron 1 Timothy 4 1 2 The Rose of Sharon is a book that seeks to correct certain erroneous statements and wrong subtle doctrines that have been perpetuated by some And whilst at face value we might consider human error as mostly the cause of these howlers it is however not unlikely that something or someone sinister was actually behind these misrepresentations
