Shattered Dreams Robb Thompson, 2002-01-01 **Out of Control** Rodney Hunt, 2016-10-21 The truth is weve all experienced the brokenness of this world broken dreams hopes and expectations You lose your job An unexpected circumstance catches you by surprise Someone you love dies A relationship fails You do something you regret What I want to remind you is that regardless of your situation you can find hope in an out of control world There is hope because God is picking up the pieces of our lives to make us whole again There is hope because he has a plan While we will experience pain and loss God will restore our joy and restore that which has been lost That promise is repeated over and over many times in the Scriptures God will restore He will pay back What was lost will be found again In fact we will receive much more back than what we lost There is a better future than what you are seeing and experiencing right now You need to know that in a world where so much seems set against you God is in control and he is on your side God is not your enemy He is your advocate and defender He wants what is best for you He wants to give you a future and a hope **Missing the Child You Love** H.
