

Shattered Hearts

A large, stylized heart shape is the central focus, rendered in a vibrant red color. The heart is depicted as if it has been shattered into numerous sharp, angular fragments, with some pieces appearing to be falling away or dripping. The background behind the heart is a dark, gradient red, which fades into a solid black background at the top and bottom of the cover.

Shattered Hearts:

Shattered Hearts Macy Lewis, 2022-03-17 Paralegal Trinity Sylinda has had a string of failed relationships and is desperate to find true love. But until that happens she stays very busy juggling cases and legal files. When a colleague asks her to check on an ex con who served eighteen years in prison for a murder he did not commit, Trinity is naturally nervous but agrees to pay him a visit to ensure he's adequately adjusting to life back in the real world and not focusing on his previous mistakes. Released from prison over three years ago, Jack Julian has somehow managed to rebuild his life with help from his adult daughter, Alice. He's understandably angry about the years he has already lost, and it's Trinity's job to assess his mental health. When they meet, she realizes Jack is still holding onto guilt over the past and resentful of her presence, but the chemistry they share is obvious. When they eventually fall in love, a frightening health diagnosis sends their relationship into chaos and leaves the happily ever after they both imagined hanging perilously in the balance. In this poignant tale, the lives of a well-respected paralegal and wrongly imprisoned ex con intertwine and transport them down a path that will either lead to happiness or shattered hearts. *Shattered Hearts of Carolina Romance Series Collection* Jody Kaye, 2022-11-08

Three heartbreakingly honest and angsty love stories in one romance collection. A birthday gift leads to a life-changing confession, an assault survivor finds comfort in the arms of a surprising friend, and a single dad proves to a stripper there's more to falling in love than meets the eye. *Splinter of Hope* What does anyone know about love at eighteen? All I was sure of was how much I loved my daughter, and giving her away destroyed me. Because back then, the only labels I wore proved I was unwanted. Since we met, Trig has stood by my side. A protector. A lover. A splinter of hope that my arms won't always be empty. He says he loves me, and I finally have the desire to lay my secrets bare. Except giving Trig another reason to walk away feels a lot like sacrificing our future. And I've already made one decision that shattered my heart. *Shred of Decency Bonus Chapter* included. It's my word against his, and understanding the risk of someone finding out what happened to me is a hard pill to swallow. When the pain and loneliness becomes unbearable, I run into the most unlikely person capable of stopping my world from caving in. A decent man who spent time behind bars. No one believes Morgan has much to offer anymore, not even him. But this once, I know better. Morgan is looking for a fresh start, too. I rely on his friendship while learning how to feel safe again. Yet the closer we get, the more I question how often the punishment fits the crime. *Sliver of Truth Bonus Chapter* included. A stripper. A handyman. An impossible secret. Is it love or lust? And what happens when a mill girl breaks the cardinal rule? Men beg to touch my body. Yet Dusty's moves against mine in unspeaking eloquence. My heart stammers when we're alone, and he growls my name. I hate that I love the strength of his arms. I love that I hate it, too. The feeling keeps me sane because when we're apart, doubt creeps in. I'm ashamed to admit my fears about what happens if everyone finds out we've been hooking up. Along with the guilt comes the horrible thoughts I shouldn't have about Dusty's disability. Perhaps those emotions are a sign I'm not a good person, and there is a sliver of truth that I don't deserve a better life. After all, what would a
