Bernard Shaw, Playwright Bernard F. Dukore, 2025-10-03 Bernards Shaw s plays have delighted and stimulated audiences since their first appearances Their author s satiric view of conventions institutions and behavior continues unflinching to amuse while it provokes doubts about the honesty of the social and political attitudes that underlie them Originally published in 1973 Dukore discusses the theory of drama that is the basis of Shaw s comedies which present his views of mores and follies That Shaw s theory was coherent and comprehensive Dukore shows in Part One of this book with supportive references to Shaw s critical works letters speeches and plays In Part Two using such familiar works as Candida Pygmalion and Back to Methuselah as well as less known plays like In Good King Charles s Golden Days to reinforce his points Dukore analyses the discussion play according to Shaw the watershed of the new drama Androcles and the Lion and Saint Joan along with other plays illustrate Shaw s use of the prologue or prologuelike first act to create the play s social and psychological foundations Man and Superman and The Apple Cart are among those which exemplify the play whose frame is both detachable from its centerpiece and also functionally integrated with it Dukore also considers at length Shaw s

reworking of other men's plays Shakespeare's Cymbeline and Trebitsch's Frau Gittas S hne as well as his own Major Barbara. These revisions bring into sharp focus Shaw's perception of human nature and his principles of dramaturgy. Among others of Shaw's plays Dukore presents Too True To Be Good and Heartbreak House as examples of his protoexistentialism, his apprehension of the absurd and the existential as forces in life. Throughout Shaw's plays major and minor Dukore sees the influence of the playwright's socialism and supports this observation with precise examples from the works. In sum Dukore proposes fresh perspectives from which to regard Shaw's works for the theatre, works that were arrestingly relevant and immediate to the time.
