It Can Happen to Any Family Cynthia Doucette,2012-08-01 I left her room and went to bed I lay next to David but we did not speak There were no words to describe the pain we were in I thought about the day that had begun so pleasurably and ended so painfully Even so I thanked God for the blessings in my life as I did every night I asked Him to watch over Candice and provide her with the help she needed We had not been able to give her what she required Nothing had worked as we had hoped I am glad I didnt know then how tragically her storyand ours would end What had happened to Candice and where did it all begin This is the story of an ordinary family struggling with an extraordinary problem a special child whose journey was hijacked by teenage drug use Candice Doucette was a beautiful and well loved young girl with many friends and talents and supportive parents What happened to her and her family can happen to any family In this memoir her mother candidly shares her experience in hopes that other parents will find this book a resource as they strive to answer the recurring question What can we do And now nine years later Cynthia writes an epilogue to give the reader insight into her life today How through her enduring loss of her daughter she has finally found whats most important her peace Cynthia Doucettes compelling memoir shares such deep intense emotional family struggles and triumphs The connection I felt with Cynthia and her daughter Candice was unreal It felt as though Candices spirit was with me as I read her life story Candice spoke through the words of her mother I could feel Candices happiness her depression her pain and her anger In this story of her tragic death and the wonderful family she left behind I found myself becoming a part of the Doucette family as I can relate to the emotional roller

January's Thaw J. Conrad Guest, 2012-01-12 Many people obsess over their past but no one more than I Perchance it's because as a man out of time I left behind so much of it un-lived If that makes little sense consider that I'm a time traveler Although the backdrop for my story is time travel and alternate realities the underlying theme is a more human one of love lost another love found only to be lost and of a decision the result of a single regret brought about by the realization that my self-professed courage to never risk my heart to love was instead cowardice to rectify a wrong in a life filled with myriad regrets You may judge me as it is man's nature to judge others or discount my story as the ravings of a lunatic mind or simply the fiction of an overactive imagination but before you do I ask that you read on to the end and then ask yourself if you would have acted any differently **Child Behind the Darkness** Frank F. Atanacio, 2001-07-12 What happens when the soul of an aborted child is trapped between heaven and hell Good and evil wanting the soul so a battle begins The battle takes an aborted child's soul through a frenzy of trials and tribulations He is challenged and tricked into so many ordeals However

with the help of his friends he makes it through these ordeals unscathed Until a problem arises that will challenge the heart The soul that is helping him must now make a decision involving her murdered child's soul It becomes a race to be placed between the child behind the darkness and Morgass's child **Parliamentary Debates (Hansard)**.
