Oswald Bastable and Others E. Nesbit, 2019-06-17 *Oswald Bastable and Others* is a trilogy of children's novels by Edith Nesbit 1858-1924 including *The Story of the Treasure Seekers* 1899 *The Wouldbegoods* 1901 and *The New Treasure Seekers* 1904 Nesbit was a prolific and popular writer of children's literature publishing more than 60 such books under the name E Nesbit She was also a political activist and co-founded the Fabian Society which had a significant influence on the Labour

Party and British politics in general This charming children s trilogy would make for perfect bedtime reading and constitutes a must have for fans and collectors of Nesbit s wonderful work Other notable works by this author include *The Prophet s Mantle* 1885 *Something Wrong* 1886 and *The Marden Mystery* 1896 Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author **The Myrtle** ,1873 **Why Would You Lead Me On?** T. Collins,2021-07-11 The purpose of this book was to show the reader not to accept less than what they deserve Some people think they need to settle because they have children with someone the sex is too good or they do not want to start over again This book shows that when you make these mistakes the outcome can lead to some alarming results You have to ask yourself is the person leading you on or are you asking so much from a person who is not ready to be in a relationship Sometimes people unknowingly force someone in a relationship by being emotional and the person who will not commit will feel obligated based on your emotions I have also noticed that some people desire one thing initially and later change their minds without the other individual knowing Never try so hard to keep someone who does not want to be maintained I want people to read this so they can see the signs and understand their worth You do not have to be bitter off one person when there are millions to choose from every day Again some people love the attention and someone else can give you the same kindness If you knowingly see that you are second do not stay with that person It will only get worse This book does not have chapters because I am different I want you to feel as if you are there and not just reading the book
