Narratives of Women and Murder in England, 1680-1760 Kirsten T. Saxton, 2017-05-15 Arguing that the female criminal subject was central to the rise of the British novel Kirsten T. Saxton provides fresh and convincing insights into the deeply complex ways in which categories of criminality, gender, and fiction intersected in the long eighteenth century She offers the figure of the murderess as evidence of the constitutive relationship between eighteenth-century legal and fictional texts comparing non-fiction representations of homicidal women in biographies of Newgate Ordinaries and in trial reports with those in the early novels of Aphra Behn, Delariviere Manley, Daniel Defoe, and Henry Fielding As Saxton demonstrates, legal narratives informed the budding genre of the novel, and fictional texts shaped the development of legal narratives her study of deadly plots becomes a feminist intervention in scholarship on the literature of crime that simultaneously insists on the centrality of crime literature in feminist histories of the novel Her epilogue shows that more than two centuries later we still contend with displays of female violence that defy and define our notions of textual and sexual license and continue to shape legal and literary mandates even as the lines between the real and the fictive remain blurred

Colonial Justice and the Jews of Venetian Crete Rena N. Lauer, 2019-03-07 When Venice conquered Crete in the early thirteenth century, a significant population of Jews lived in the capital and main port city of Candia This community grew diversified and flourished both culturally and economically throughout the period of Venetian rule, and although it adhered to traditional Jewish ways of life, the community also readily engaged with the broader population and the island's Venetian colonial government In *Colonial Justice and the Jews of Venetian Crete*, Rena N. Lauer tells the story of this unusual and little-known community through the lens of its flexible use of the legal systems at its disposal Grounding the book in richly detailed studies of individuals and judicial cases concerning matters as prosaic as taxation and as dramatic as bigamy and murder, Lauer brings the Jews of Candia vibrantly to life Despite general rabbinic disapproval of such behavior elsewhere in medieval Europe, Crete's Jews regularly turned not only to their own religious courts but also to the secular Venetian judicial system There they aired disputes between family members, business partners, spouses, and even the leaders of their community And with their use of secular justice as both symptom and cause, Lauer contends, Crete's Jews grew more open and flexible, confident in their identity and experiencing little of the anti-Judaism increasingly suffered by their coreligionists in Western Europe

Unveiled Courtney Milan, 2014-07-07 Of all Ash Turner's accomplishments, stealing a dukedom from his old enemy is by far the most brazen Now that he's been recognized as the heir, nothing remains but to head to Parford Manor and survey the estate that will be his He expects opposition He gets Lady Margaret Margaret lost everything when Ash claimed the dukedom, her dowry, her legitimacy, and her place in society Now Ash wants to take her family home too She disguises herself as a nurse, determined to learn his weaknesses But the closer she comes to Ash, the greater the pull of his reckless charm If she wants to reclaim

what she has lost her only choice is to betray the man she is beginning to love This is an enhanced ebook In addition to the text of the book itself it contains pictures and audio You can read this enhanced ebook on any device but the audio content may not be accessible on all ereaders That content has been made available on the web so you won't miss anything if your device doesn't support audio Unveiled is the first book in the Turner series The full series is Unveiled Unlocked a companion novella Unclaimed Unraveled *A Study Guide for Ana Castillo's "So Far from God"* Gale, Cengage Learning, 2016 The Whispering Roots Cecil Day Lewis, 1970 **The Female Condition in the Novels of Gabonese Writer Sylvie Ntsame** Paschal Kyiripuo Kyoore, 2023-11-20 This book argues that Gabonese writer Sylvie Ntsame utilizes her novels to question certain patriarchal traditions and practices in African society such as polygyny that in certain contexts tend to silence the voice of the female Through engaging with feminist theories among other theoretical frameworks the author demonstrates how in some of Ntsame's novels the black female body is an object of voyeurism that reduces the women to eroticized exoticized Others The author further argues that Ntsame counters the dystopia of racism with a depiction of idealized love through an interracial relationship presented against the backdrop of stereotypes and myths that stifle such relationships Ntsame does this by going back to her cultural roots and calling for understanding between peoples of diverse ethnicities and cultures The book makes valuable contributions to the study of Gabonese women's writing in particular and African women's writing in general Bowker's Guide to Characters in Fiction 2007, 2008-02 **Man and Wife in America** Hendrik Hartog, 2002-05-30 In nineteenth century America the law insisted that marriage was a permanent relationship defined by the husband's authority and the wife's dependence Yet at the same time the law created the means to escape that relationship How was this possible And how did wives and husbands experience marriage within that legal regime These are the complexities that Hendrik Hartog plumbs in a study of the powers of law and its limits Exploring a century and a half of marriage through stories of struggle and conflict mined from case records Hartog shatters the myth of a golden age of stable marriage He describes the myriad ways the law shaped and defined marital relations and spousal identities and how individuals manipulated and reshaped the rules of the American states to fit their needs We witness a compelling cast of characters wives who attempted to leave abusive husbands women who manipulated their marital status for personal advantage accidental and intentional bigamists men who killed their wives lovers couples who insisted on divorce in a legal culture that denied them that right As we watch and listen to these men and women enmeshed in law and escaping from marriages we catch reflected images both of ourselves and our parents of our desires and our anxieties about marriage Hartog shows how our own conflicts and confusions about marital roles and identities are rooted in the history of marriage and the legal struggles that defined and transformed it The Book of Gladness / Le Livre de Leesce Jehan Le Fèvre, 2013-10-24 The Book of Gladness ca 1380 contains one of the most powerful original and influential pro-feminine voices of the late Middle Ages In a spirited riposte to the misogynist tradition Le Fèvre with the help of Gladness his lady

persona boldly reinterprets the Bible while questioning ancient authorities in the light of true experience especially his own Despite its foundational importance this work has never been translated into English The present prose translation is lively and accessible yet thoroughly grounded in scholarship An Introduction explains the textual challenges hindering the full recognition of this classic up to now and elucidates its contribution to the medieval debate on the nature and status of women and marriage Also included is the first ever English translation and discussion of a newly discovered scribal interpolation on Christine de Pizan in a manuscript of Jehan Le Fevre s Lamentations The bibliography provides the first complete list of manuscripts containing the French Lamentations and Le Livre de Leesce **A Bigamist's Daughter** Alice
