She Woke To Darkness:

The Girl in the Darkness John Triptych, **Out of the Darkness** Steve Taylor, 2011-03-07 *Out of the Darkness* tells the stories of more than 20 people who have undergone permanent spiritual awakening after intense trauma and turmoil in their lives. Although psychological turmoil often has no positive effects for some people, it can be the catalyst for a kind of spiritual alchemy transforming the base metal of suffering into the gold of intense well-being and freedom. Read about the young woman who became enlightened after suffering terrible injuries in the 7/7 tube bombings in London, the man who became paralysed after falling from a bridge onto a river bed but now lives in a state of permanent bliss, and the recovering alcoholic who shifted to a permanent state of enlightenment after hitting rock bottom and losing everything. The author has also interviewed several spiritual teachers whose original awakening occurred after intense psychological turmoil, including Eckhart Tolle and Catherine Ingram. In addition to telling these people's stories, *Out of the Darkness* explains why turmoil has this awakening effect and illustrates the almost infinite capacity of human beings to overcome suffering. It suggests that so long as we have the courage to face up to and accept negative situations, there is nothing for us to fear. But perhaps most importantly, it shows how natural spiritual awakening is to human beings and how close it is to all of us.

Dark Rainbow Andrew Robertson, 2018-10-18 There has always been a special relationship between queer culture and horror. Horror is a genre about the other, and being a part of queer culture often comes with feelings of otherness or being an outsider based on your desires. Maybe you see a freak onscreen during a midnight madness screening and you think to yourself, "Well, I feel like a freak too." Maybe the monster is just misunderstood; we all hunger for something right. *Dark Rainbow: Queer Erotic Horror* is the first volume of a short fiction anthology series edited by award-winning queer writer and editor Andrew Robertson. Published under Riverdale Avenue Books' Afraid imprint, it features many members of the Horror Writers Association along with writers from all over the world. *Dark Rainbow* contains 15 tales of dark appetites, hidden fantasies, sex, and slashers, including new work from Angel Leigh McCoy, Jeff C. Stevenson, Sphera Girón, Julianne Snow, Derek Clendening, Spinster Eskie, Lindsay King, Miller, and many more.

Kaelith is a cold and imposing man, his piercing gaze and sensual predatory grace captivating Ruby even as she senses the darkness that lurks within him. As Ruby struggles to master her newfound abilities, she must confront the notorious vampire cult known as the Shadows, a malicious group who seek to condemn all vampire and human souls to eternal damnation. With the fate of both the mortal and immortal realms resting on her shoulders, Ruby must decide who she can truly trust: the enigmatic and seductive Kaelith or the few human survivors from her former life.
