Laskowski**

## **Shechem Biography Of A Biblical City:**

**Shechem** George Ernest Wright, 1965      **Shechem**, 1967      **The Jerusalem Temple and Early Christian Identity** Timothy Wardle, 2010 Slightly revised and expanded version of the author's thesis Ph D Duke University Durham 2008

**Memory and the City in Ancient Israel** Diana V. Edelman, Ehud Ben Zvi, 2014-11-07 Ancient cities served as the actual worldly landscape populated by material sites of memory. Some of these sites were personal and others were directly and intentionally involved in the shaping of a collective social memory such as palaces, temples, inscriptions, walls, and gates. Many cities were also sites of social memory in a very different way. Like Babylon, Nineveh, or Jerusalem, they served as ciphers that activated and communicated various mnemonic worlds as they integrated multiple images, remembered events, and provided a variety of meanings in diverse ancient communities. *Memory and the City in Ancient Israel* contributes to the study of social memory in ancient Israel in the late Persian and early Hellenistic periods by exploring the city both as urban spaces and urban centers. It opens with a study that compares basic conceptualizing tendencies of cities in Mesopotamia with their counterparts in ancient Israel. Its essays then explore memories of gates, domestic spaces, threshing floors, palaces, city gardens, and parks; natural and domesticated water in urban settings; cisterns and wells. Finally, the studies turn to particular cities of memory in ancient Israel: Jerusalem, Samaria, Shechem, Mizpah, Tyre, Nineveh, and Babylon. The volume, which emerged from meetings of the European Association of Biblical Studies, includes the work of Stéphanie Anthonioz, Yairah Amit, Ehud Ben Zvi, K. Re Berge, Diana Edelman, Hadi Ghantous, Anne Katrine Gudme, Philippe Guillaume, Russell Hobson, Steven W. Holloway, Francis Landy, Daniel Pioske, Ulrike Sals, Carla Sulzbach, Karolien Vermeulen, and Carey Walsh.      **The Early History of God** Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion. Mark Smith sets himself the task of reconstructing the cult of Yahweh, the most important deity in Israel's early religion, and tracing the transformation of that deity into the sole god, the development of monotheism.      *The Samaritan Pentateuch and the Origin of the Samaritan Sect* James D. Purvis, 2019-11-26 Based on the author's thesis Harvard 1962 Bibliography p 130-142      **A Bibliography of the Samaritans** Alan David Crown, 1993 Contains nearly 1,000 new items directly concerned with Samaritan studies written since 1984; retains the alphabetical arrangement by author and the subject index and supplies a new title index.      *The Bible's First History* Robert B. Coote, David Robert Ord, 2018-01-04 This is a book about an ancient writer, the J writer, the Yahwist, who produced a work of political imagination. This work is embedded mainly in the first four books of the Bible, best known for some of the most popular and influential biblical stories in Genesis and Exodus. The purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of the other literary strands with which it was later supplemented. Therefore, the work includes a fresh, complete translation of the text of the J writer who produced the Bible's first history. The translation itself helps to establish more clearly than ever the integrity of the J writer. The concern here is WHEN and WHY this history was written, especially in light of the concerns

for justice and prosperity Throughout it is demonstrated HOW and WHY this history comes from the court of David it is a royal history of David s subjects as though they were descended from pastoral nomads such as Abram Isaac and Jacob It is argued that the intended audience of the history was probably those bedouin who regularly visited the court of David in Hebron and Jerusalem Here is a bold and brilliant representation of the J writer s composition perhaps as it was originally intended to be read or heard This ancient tour de force takes on new life in the hands of these skilled interpreters

Jerusalem's Rise to Sovereignty Ingrid Hjelm,2004-09-01 Ingrid Hjelm examines the composition of the Books of Kings using the Hezekiah narratives in 2 Kings 18 20 as a focus She argues that this narrative is taken from that of the book of Isaiah with which it shares linguistic and thematic elements In Kings it is used with the specific purpose of breaking the compositional pattern of curse which threatens to place Jerusalem on a par with Samaria Jerusalem traditions are examined against theories of a late Yahwist author and the Pentateuch s origin within a Jerusalem cult While the Pentateuch in its final form became a common work acceptable to all groups because of its implied ambiguity the Deuteronomistic History s favoring of David and Jerusalem holds a rejection of competitive groups as its implied argument *The Cambridge Ancient History* Stanley Arthur Cook,Martin Percival Charlesworth,John Bagnell Bury,John Bernard Bury,1924 **The Origin**

**Myths and Holy Places in the Old Testament** Lukasz Niesiolowski-Spano,Jacek Laskowski,2016-04-08 Origin Myths and Holy Places in the Old Testament examines the biblical narratives which describe the origins of holy places It argues for the Hellenistic origin or redaction of most of these narratives Three central questions are addressed are there common features in biblical accounts about the foundation of places of worship are there elements in the aetiological stories that reveal the real mythology rituals of the sanctuary what were the circumstances of the creation of such narratives Ancient Israel's History and Historiography Nadav Na'aman,2006-06-30 Throughout the past three decades Nadav Na aman has repeatedly proved that he is one of the most careful historians of ancient Canaan and Israel With broad expertise he has brought together archaeology text and the inscriptional material from all of the ancient Near East to bear on the history of ancient Israel and the land of Canaan during the second and first millenniums B C E Many of his studies have been published as journal articles or notes and yet together they constitute one of the most important bodies of literature on the subject in recent years particularly because of the careful attention to methodology that Na aman always has brought to his work This final volume in the 3 volume set of Na aman s collected essays contains 29 essays Among the topics addressed are the sources available to Israel s historians late in the first millennium B C E the reality behind the narratives relating to the history of the United Monarchy the effect of the author s own time on the composition of the histories of Saul David and Solomon and the contributions of archaeology to the study of the tenth century B C E In the course of covering these themes Na aman touches on topics such as history and historiography textual and literary problems historical geography society administration cult and religion *Jesus and His World* John J. Rousseau, Designed for teachers students and general

readers this book offers reliable and up to date information about important sites persons customs and other facts of life that are important for understanding Jesus and his cultural setting The 108 entries are arranged alphabetically for easy reference Also includes tables charts glossary bibliography indexes and more

**The Historian and the Bible** Philip R. Davies,Diana Vikander Edelman,2011-04-26 Lester Grabbe is probably the most distinguished and certainly the most prolific of historians of ancient Judaism the author of several standard treatments and the founder of the European Seminar on Historical methodology He has continued to set the bar for Hebrew Bible scholarship In this collection some thirty of his distinguished colleagues and friends offer their reflections on the practice and theory of history writing on the current controversies and topics of major interest This collection provides an opportunity for scholars of high caliber to consider groundbreaking ideas in light of Grabbe s scholarship and influence This festschrift offers the reader a unique volume of essays to explore and consider the far reaching influence of Grabbe on the field of Biblical studies as a whole

**The Origin of Israelite Zion Theology** Antti Laato,2018-08-23 In this examination of Zion theology and how it arises in the book of Psalms Antti Laato s starting point is that the Hebrew Bible is the product of the exilic and postexilic times which nonetheless contains older traditions that have played a significant role in the development of the text Laato seeks out these older mythical traditions related to Zion using a comparative methodology and looking at Biblical traditions alongside Ugaritic texts and other ancient Near Eastern material As such Laato provides a historical background for Zion theology which he can apply more broadly to the Psalms In addition Laato argues that Zion related theology in the Psalms is closely related to two events recounted in the Hebrew Bible First the architectural details of the Temple of Solomon 1 Kings 6 7 which can be compared with older mythical Zion related traditions Second the religious traditions related to the reigns of David and Solomon such as the Ark Narrative which ends with David s transfer of the Ark to Jerusalem 2 Sam 6 From this Laato builds an argument for a possible setting in Jerusalem at the time of David and Solomon for the Zion theology that emerges in the Psalms

**Giving the Sense** Michael A. Grisanti,2003 This collection of essays covers the four major periods of Israel s history and explores the theological literary historical and archaeological dimensions of each era

**Jews and Samaritans** Gary N. Knoppers,2013-05-02 Winner of the R B Y Scott Award from the Canadian Society of Biblical Studies Even in antiquity writers were intrigued by the origins of the people called Samaritans living in the region of ancient Samaria near modern Nablus The Samaritans practiced a religion almost identical to Judaism and shared a common set of scriptures Yet the Samaritans and Jews had little to do with each other In a famous New Testament passage about an encounter between Jesus and a Samaritan woman the author writes Jews do not share things in common with Samaritans The Samaritans claimed to be descendants of the northern tribes of Joseph Classical Jewish writers said however that they were either of foreign origin or the product of intermarriages between the few remaining northern Israelites and polytheistic foreign settlers Some modern scholars have accepted one or the other of these ancient theories Others have avidly debated the time and context in

which the two groups split apart Covering over a thousand years of history this book makes an important contribution to the fields of Jewish studies biblical studies ancient Near Eastern studies Samaritan studies and early Christian history by challenging the oppositional paradigm that has traditionally characterized the historical relations between Jews and Samaritans

Walled Up to Heaven Aaron Burke, 2018-07-17 As the first comprehensive study of fortification systems and defensive strategies in the Levant during the Middle Bronze Age ca 1900 to 1500 B C E Walled up to Heaven is an indispensable contribution to the study of this period and of early warfare in the ancient Near East Although archaeologists and ancient historians alike have discussed a variety of theories regarding the origin and cultural significance of the construction of earthen ramparts during the Middle Bronze Age only this work addresses these questions in detail In a tour de force Burke traces the diachronic evolution and geographic distribution of the architectural features and settlement strategies connected with the emergence of Middle Bronze Age defenses in the Levant By synthesizing historical and archaeological data from Mesopotamia and Egypt as well as the Levant he reveals the interconnectedness of the Near Eastern world during the first half of the second millennium to an extent not recently considered The result is a detailed employment of cognitive social and dirt archaeology to reconstruct the political social military and cultural implications of the construction of monumental defenses and the development of defensive networks during the period of Amorite hegemony in the Levant

The Storm-God in the Ancient Near East Alberto R. W. Green, 2003-06-30 In this comprehensive study of a common deity found in the ancient Near East as well as many other cultures Green brings together evidence from the worlds of myth iconography and literature in an attempt to arrive at a new synthesis regarding the place of the Storm god He finds that the Storm god was the force primarily responsible for three major areas of human concern 1 religious power because he was the ever dominant environmental force upon which peoples depended for their very lives 2 centralized political power and 3 continuously evolving sociocultural processes which typically were projected through the Storm god s attendants Green traces these motifs through the Mesopotamian Anatolian Syrian and Levantine regions with regard to the latter he argues that Yahweh of the Bible can be identified as a storm god though certain unique characteristics came to be associated with him he was the Creator of all that is created and the self existing god who needs no other

The Biblical World Katharine J. Dell, 2021-07-29 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible This new edition is updated with several new chapters as well as a new section on biblical interpretation Contributions from leading scholars in the field present wide ranging views not just of biblical materials and their literary and linguistic context but also of the social institutions history and archaeology and religious concepts New chapters cover topics such as the priesthood and festivals creation and covenant ethics and family life while a new section on biblical interpretation discusses Jewish and Christian bible translation and key thematic emphases and modern reader response and cultural approaches This revised edition of The Biblical World offers an up to date and thorough survey of the Bible and its

world and will continue to be an invaluable resource for students and scholars of the Hebrew Bible and New Testament and their history and interpretation as well as anyone working on the societies religions and political and cultural institutions that created and influenced these texts

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shechem Biography Of A Biblical City full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shechem Biography Of A Biblical City eBooks, including some popular titles.

## FAQs About Shechem Biography Of A Biblical City Books

**What is a Shechem Biography Of A Biblical City PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shechem Biography Of A Biblical City PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shechem Biography Of A Biblical City PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shechem Biography Of A Biblical City PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shechem Biography Of A Biblical City PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
