New York Magazine, 1975-09-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New

York as both a place and an idea **Those Girls** Katherine J. Lehman, 2011-09-27 Long before Carrie Bradshaw in *Sex and the City* there was Mary Richards in *The Mary Tyler Moore Show* Every week as Mary flung her beret into the air while the theme song proclaimed You re gonna make it after all it seemed that young independent women like herself had finally arrived But as Katherine Lehman reveals the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn't as simple as the toss of a hat *Those Girls* is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society Lehman has scoured a wide range of source materials unstudied film and television scripts magazines novels and advertisements to demonstrate how controversial female characters pitted fears of societal breakdown against the growing momentum of the women's rights movement Lehman's book focuses on the single girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women's roles Analyzing films and programs against broader conceptions of women's sexual and social roles she uncovers deep seated fears in a nation accustomed to depictions of single women yearning for matrimony Yet as television began to reflect public acceptance of career women series such as *Police Woman* and *Wonder Woman* proved that heroines could wield both strength and femininity while movies like *Looking for Mr Goodbar* cautioned viewers against carrying new found freedom too far Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen She includes often overlooked sources such as the TV series *Get Christie Love* and *Ebony* magazine to give us a richer understanding of how women of color negotiated urban singles life And she reveals how trailblazing characters continue to influence portrayals of single women in shows like *Mad Men* This entertaining and insightful study examines familiar characters caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores *Those Girls* reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in America **Chick Lit and Postfeminism**

Stephanie Harzewski, 2011-02-09 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s chick lit mutated from a movement in American women's avant garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature journalism and advice manuals Stephanie Harzewski examines such best sellers as *Bridget Jones's Diary* *The Devil Wears Prada* and *Sex and the City* as urban appropriations of and departures from the narrative traditions of the novel of manners the popular romance and the bildungsroman Further Harzewski uses chick lit as a lens through which to view gender relations in U S and British society in the 1990s *Chick Lit and Postfeminism* is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo American marriage and education patterns heterosexual rituals feminism and postmodern values *Roy Scheider* Diane C. Kachmar, 2008-11-21 Over his 30 plus year

acting career Roy Scheider has redefined America's idea of a leading man thanks to his talent for playing an urban everyman that audiences relate to and root for despite flaws and failures. He rose to fame in the early 1970s in the Oscar winning films Kluge and The French Connection. His first Oscar nomination Roy garnered more critical acclaim in Jaws and Marathon Man as well as a second Oscar nomination for All That Jazz. Scheider's life and career are chronicled in this work. Beginning with his childhood in New Jersey it traces his development from a community theater actor to a world renowned movie star and covers his more recent work in the Golden Globe winning RKO 281 and the Shakespearean drama King of Texas. Includes a complete filmography and index. *The Mammoth Book of Comic Quotes* Geoff Tibballs, 2012-03-01 With over 10 000 entries arranged by topic and fully indexed here is a giant new collection of witticisms and wisecracks for the 21st century. It's not that sex isn't good but the World Cup is every four years and sex is not. Ronaldo *Cue*, 1975

Follow My Footprints Sylvia Barack Fishman, 1992 This anthology focuses on women in Jewish fiction and presents a vivid panorama of Jewish life in the United States over the past one hundred years. Consecrate Every Day June Sochen, 1981-01-01 **Infamous Players** Peter Bart, 2011-05 The author recalls his tenure at Paramount Pictures during a tumultuous time when the studio produced such films as The Godfather Chinatown and True Grit but was also plagued by drugs the mafia and runaway budgets. HBO's Girls Betty Kaklamanidou, Margaret Tally, 2014-03-25 Young women today have achieved as much as and in many cases far exceeded males in both educational and occupational terms. While this presents many opportunities it also creates confusion in terms of re-negotiating traditional gender roles. The fictional representation of young women in recent film and television shows demonstrates how these tensions created by the specific sociopolitical climate of the post recession era are being worked out. One specific television show focused on intelligent young women caught up in these contradictions is Girls. The show explores the lives of four female friends living in Brooklyn two years after their college graduation as they try to support themselves with low paying jobs and deal with various struggles around relationships careers and friendships. The HBO half hour sitcom created written by and starring Lena Dunham premiered on April 15th 2012 after receiving a flood of initial buzz and criticism both positive and negative. This collection is the first to discuss the cultural political and social implications of this innovative series. The contributors examine Girls through a variety of lenses sexual racial gender relationships between the male and female characters as well as

friendships between the young women This variety of perspectives explains why *Girls* has had the profound cultural impact it has made in the short time it has been on the air , Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1974

The Mating Trade Robert Mullan,2022-02-23 Are marriages made in heaven In reality many people need a little help in the arrangement of such matters whether from Jewish shadkhans matchmakers go between computer or video dating agencies marriage bureaux Asian arranged marriages gay dating agencies or personal ads Originally published in 1984 the author s clear sighted look at the mating trade takes some of the mystique away from the subject and is the first serious and detailed account of the third party in marriage Dr Mullan looks at the singles scene and the arranged marriage historically and cross culturally and makes it clear that there is nothing necessarily odd or deviant about the mating trade It is a business like any other and as long as people continue to want perfect partners marriage permanent relationships dates and sex and while evolving social structures make such
