## **Shell Never Want More Than This:**

More Than This David Kirby, 2019-08-13 *More Than This* like David Kirby's previous acclaimed collections is shot through with the roadhouse fervor of early rock n roll Yet these rollicking poems also contain an oceanic feeling more akin to the great symphonies of Europe than the two minute singles of Little Richard and other rock pioneers as Kirby seeks to startle to please to unwind the knots that we get ourselves into and make it possible to being anew Little goes unnoticed in these poems death is present along with love friendship food religious ardor and philosophical skepticism nights on the town and quiet evenings at home With *More Than This* his twelfth collection Kirby takes readers back in time and out in space offering quiet wisdom and a sense of the endless possibilities that art and life give us all **The Poems of W.B. Yeats** Peter

McDonald, 2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats's poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats's poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet This first volume collects Yeats's poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse The pastoral romance of classically inflected early work like *The Island of Statues* is succeeded in these years by the Irish mythic material that finds its largest canvas in the mini epic *The Wanderings of Oisín* In Yeats's work through the 1880s an adolescent poet's youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism This edition allows readers to see Yeats's emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo Irish poetry of the nineteenth century The commentary provides an extensive view of Yeats's developing personal cultural and historical worlds as the poems gain in maturity and depth From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as *The Lake Isle of Innisfree* Yeats's poetry is displayed here in unprecedented fullness and detail , **Eldritch Codicium** Bryce Neuberger, 2025-05-07 *The Eldritch Codicium* is not just a book it's a game of survival Discovered among the ravings of a forgotten madman this cursed tome claims to be the definitive repository of forbidden knowledge on ancient unspeakable horrors But with every page you turn the cost grows Each time you open the *Codicium* to a random page an Eldritch entity becomes aware of your presence and begins to hunt you To survive you must

uncover the creature's true name piece by piece and discover its word of banishment But be warned You may only read 20 pages per day Any more and madness will consume your mind entirely Within its 225 pages lie Arcane Geography hidden locations of power tied to cosmic horrors Field Reports firsthand accounts from agents doctors and truth seekers Mad Ravings the disturbed thoughts of those touched by the unknown The Alchemical Codex forbidden recipes using parts of creatures for rituals and spells At the end a final warning the true names of these entities are encoded with a simple cipher You may attempt to decipher them to confirm your success But choose wrong or utter the name unprepared and your soul is lost Will you play its game Or will the book play you Dare to open the Eldritch Codicium and risk everything     Elements of Botany John Hull,1800     *Godey's Lady's Book* ,1861     **A Star Unborn** Isabella Wiles,2022-12-19 An unconditional love a life changing loss a heart wrenching choice Successful and ambitious Victoria Turnbull has had enough of relationships too many times she's made painful sacrifices for love but that was before she landed in the lap of a tall quiet Welshman at her best friend's New Year's Eve party Recently divorced Gavin Williams is calm caring and kind He falls instantly for the enigmatic Vicky but it's only when a hurricane blows through the Caribbean cruelly ripping the lovers apart that Vicky finally realises she has everything she's ever wanted in Gav except the one thing she truly desires a baby Surely a decade old hidden secret won't stop her from having a child with the man she loves until she discovers getting pregnant is one thing staying pregnant another Then when Gav's past slams unexpectedly into Vicky's present and she's left reeling from a thirteen year old confession from former flame Chris Williams everything she thought she knew about love life and her past decisions is thrown into turmoil With two Great Loves vying for her heart will Vicky stay true to herself or will her shameful secret stop her from having a baby with her forever Great Love Buy **A Star Unborn** and prepare to have your heart broken then uplifted in this epic series finale From the majestic mountains of Snowdonia via the sun drenched beaches of the Cayman Islands the formality of Singapore the laid back vibe of San Diego and the stunning vistas of New Zealand **A Star Unborn** the thrilling finale in *The Three Great Loves of Victoria Turnbull* series is a beautiful and emotional love story about what it means to continue loving even in the face of great loss     **The American Farmer** ,1849     **The Ladies of the Secret Circus** Constance Sayers,2021-03-23 From the author of *A Witch in Time* comes a magical story spanning from Jazz Age Paris to modern day America of family secrets sacrifice and lost love set against the backdrop of a mysterious circus Paris 1925 To enter the Secret Circus is to enter a world of wonder a world where women weave illusions of magnificent beasts carousels take you back in time and trapeze artists float across the sky Bound to her family's circus it's the only world Cecile Cabot knows until she meets a charismatic young painter and embarks on a passionate affair that could cost her everything Virginia 2004 Lara Barnes is on top of the world until her fianc disappears on their wedding day When her desperate search for answers unexpectedly leads to her great grandmother's journals Lara is swept into a story of a dark circus and ill fated love Soon secrets about Lara's family history begin to come to light revealing a curse that has been claiming payment from the
