Report Cards Wade H. Morris,2023-09-26 This book tells the story of American education by examining this unique element of student life The author shows the evolution of how teachers students parents and administrators responded to report cards Report cards he shows were more than just a means by which a school documented each student s deportment academic standing and attendance They were a tool of control a microcosm for the changing power dynamics between teachers parents and students Hoosier Schools William J. Reese,1998 This anthology is important for historians of education but it has a larger purpose Public schools have remained a faithful barometer of the major economic political and social changes that swept across the nation Social historians can learn much from this well written anthology Journal of

American History a fine contribution to the history of public policy studies The Public Historian School reform activists sometimes forget that schools are a product of history that many proposed reforms were tried before with mixed results That understanding of the past is critical to our understanding of current efforts to improve schools These original studies of school reform in Indiana from before the Civil War to the most recent efforts offer a much needed perspective on the reoccurring struggle to remake the public schools in a new image

Walking Among Pharaohs Peter Der Manuelian, 2023 Pyramids with hidden burial chambers Colossal royal statues and minuscule gold jewelry Decorated tomb chapels temples settlements fortresses ceramics furniture stone vessels and hieroglyphic inscriptions everywhere This is the legacy of forty three years of breathtakingly successful excavations at twenty three different archaeological sites in Egypt and Sudan ancient Nubia George Reisner 1867 1942 discovered all this and more during a remarkable career that revolutionized archaeological method in both the Old World and the New Leading the Harvard University Boston Museum of Fine Arts Expedition Reisner put American and particularly Boston Egyptology on the world stage His uniquely American success story unfolded despite British control of Egyptian politics French control of Egyptian antiquities and an Egyptian yearning for independence all while his Egyptian teams achieved the fieldwork results and mastered the arts of recording and documentation Reisner's lifespan covers the birth of modern archaeology aspects of colonialism racism and nationalism the history of Harvard and of the Museum of Fine Arts Boston MFA and the issues of repatriation and cultural patrimony long before they became the hot topics they are today

This new biography gathers unpublished documents from all over the world to present the untold story of one of the founding fathers of excavation methodology and restore his place in the history of world archaeology while not overlooking some of his cultural interpretations that we can easily reject today **Fulfilling the Charter** Roger Boop, 2008-03 As the landscape of teacher education developed during the late 1800s historical antecedents of Butler University's College of Education initiated what we now know as long term commitments to work and service at local state and national levels This historical account of the College brings to light how teachers leaders and colleagues possessing vision a shared commitment to children excellence in education and humor have inspired and influenced generations Those who are aware of Butler University and those who have yet to learn of the quiet excellence that lives within the north side Indianapolis neighborhood will glean lessons of collaboration struggle success and the innate power of being able to dream as the history of the College of Education unfolds In 1961 for his undergraduate application for student teaching at Butler University Roger William Boop wrote I certainly believe in change but change is not good for change's sake because change does not always imply progress His belief in change a personal commitment to education and a love of history that allows one to look closely at the facets leading to progress underscore his research some 46 years later as he shares the story of the College of Education and more

Local Civics with National Purpose J. Spencer Clark, 2021-02-03 This book examines the development of civic education in the United States through the lives of two teachers at Shortridge High School SHS in Indianapolis around 1900 After situating civic education at the turn of the century the book describes the career of Laura Donnan her influences teaching extracurriculars and civic life through the lens of her unique epistemology shaped by negotiating the gendered ideologies of her era Then the book re-examines Arthur W Dunn's career focusing on his ten years at SHS and the influence of Donnan on his popular community civics curriculum and subsequently the 1916 report *The Social Studies in Secondary Education* Previous scholars have overlooked Dunn's time at SHS viewing it simply as a stepping stone for the progressive educator's career This book argues that Dunn's time at SHS was pivotal to his career due to influential colleagues primarily Donnan To conclude Clark discusses the implications of Donnan's epistemology in shaping civic education in the United States Butler University and the Dream of Distinction John P. Kondelik, 1993 **Eli Lilly, a Life, 1885-1977** James H. Madison, 1989 The story of the Dudley Observatory is here told in detail from its beginning in 1851 through eight years of tragicomic conflict The author argues that differing perceptions of authority responsibility and accountability lie at the heart of the controversy and do much to explain relationships between nineteenth century American scientists and the larger community A biography of the drug magnate based on personal and business papers and interviews with people who knew him Chronicles his early life and education his business career and his later interest in archaeology and history Published for the Indiana Historical Society by IUP Annotation copyrighted by Book News Inc Portland OR The Hoosier Genealogist, 1995 **America, History and Life**, 1988 Provides historical coverage of the United States and Canada from prehistory to
