Lakes region **Trees and Shrubs Hardy in Southern Michigan and Surrounding Territory** University of Michigan. Nichols Arboretum, University of Michigan, 1937 **Michigan Getting Started Garden Guide** Melinda Myers, 2013-10-15

Michigan Getting Started Garden Guide features plant recommendations from one of the region's most highly respected and experienced master gardeners with selections that will thrive amid the state's unique growing conditions *Guide to Standard Floras of the World* David G. Frodin, 2001-06-14 This 2001 book provides a selective annotated bibliography of the principal floras and related works of inventory for vascular plants. The second edition was completely updated and expanded to take into account the substantial literature of the late twentieth century and features a more fully developed review of the history of floristic documentation. The works covered are principally specialist publications such as floras, checklists, distribution atlases, systematic iconographies and enumerations or catalogues, although a relatively few more popularly oriented books are also included. The Guide is organised in ten geographical divisions with these successively divided into regions and units, each of which is prefaced with a historical review of floristic studies. In addition to the bibliography, the book includes general chapters on botanical bibliography, the history of floras and general principles and current trends, plus an appendix on bibliographic searching, a lexicon of serial abbreviations and author and geographical indexes *Tree & Shrub Gardening for Michigan* Timothy D. Wood, Alison Beck, 2003 Tim Wood is a third generation horticulturist who started his career at his family's nursery at the age of eight.
