Sometimes a Great Notion David Donnell,2014-05-20 Long admired for his books of poetry most recently *China Blues* and *Dancing in the Dark* David Donnell s poems continue to surprise and amaze us with their cool jazz of spontaneity and imaginative logic A sensual and intellectual feast Sometimes a Great Notion is a deconstruction of the contemporary artist s life it s also a tough compassionate look at the future of the future and our philosophy of love Culinary adventures and geography juxtapose with Japanese culture erotic interludes are interrupted by notes on Alex Colville giving us the clearest picture of convergence theory we ve had since Marshall McLuhan was a young man Here in poems like *Luce* or *Pillows* Donnell pushes the boundaries of minimalism in original and subtle ways and succeeds like peach ice cream on a hot day Moment after moment this is a provocative and refreshing book

All Set about with Fever Trees and Other Stories Pam Durban,1995-08-01 The seven stories in Pam Durban s widely praised debut collection are tales of family of love and loss of survival and affirmation Durban s resonant prose subtly obliges her readers to experience the rush of icy water in a stream the taste of greens freshly snatched from an overgrown garden the dread weight of confusion and uncertainty In *This Heat* the opening story a mill worker faces the long expected loss of her teenage son when his weak heart finally gives out In the title story which concludes the collection a formidably eccentric woman abruptly leaves her daughter and granddaughter to answer a calling to do missionary work in Africa Framed between these two stories is a gathering of characters made real and consequential by Durban s touch a country singer more than a few big breaks short of stardom a preadolescent boy lovestruck over his private swimming instructor a father cut off from his children by haunting war memories and others
