Heart Catherine Anderson,2009-06-02 From New York Times bestselling author Catherine Anderson comes the second novel in the Comanche series a stirring story of courage passion and unforgettable love Years ago Amy Masters escaped the fury of the Texas plains for a new life as a teacher in the golden hills of Oregon where she found contentment if not happiness Then out of the shadows comes Swift Antelope the Comanche warrior to whom she once pledged her heart when she was no more than a girl Claiming that he s given up his violent ways as a gunslinger Swift has arrived to take the woman he feels is rightfully his the woman who once swore to honor a sacred and unbreakable pact But Amy s brutal past has made it impossible for her to trust any man even if it s the bold warrior who has haunted her dreams the only man she ever loved the Comanche heart she can t live without *Historic Tales of the Llano Estacado* Edited by Paul H. Carlson and David J.

Murrah,2020 The distinctive high mesa straddling West Texas and Eastern New Mexico creates a vista that is equal parts sprawling lore and big blue sky From Lubbock the area s informal capital to the farthest reaches of the staked plains known as the Llano Estacado the land and its inhabitants trace a tradition of tenacity through numberless cycles of dust storms and drought In 1887 a bison hunter observed antelope sand crane and coyote alike crowding together to drink from the same wet weather lake A similarly odd assortment of characters shared and shaped the region s heritage although neighborliness has occasionally been strained by incidents like the 1903 Fence Cutting War David Murrah and Paul Carlson have collected some three dozen vignettes that stretch across the uncharted terrain of the tableland s past **Billboard** ,1985-03-30 In its 114th

monotonous duty tested soldiers endurance Fort Bascom also describes the social aspects of a frontier assignment and the impact of the Comanchero trade on military personnel and objectives showing just how difficult it was for the army to subdue the Southern Plains Indians Crucial to this enterprise were logistics including procurement from civilian contractors of everything from beef to hay Blackshear examines the strong links between New Mexican Comancheros and Comanches detailing how the lure of illegal profits drew former military personnel into this black market economy and revealing the influence of the Comanchero trade on Southwestern history This first full account of the unique challenges soldiers faced on the Texas frontier during and after the Civil War restores Fort Bascom to its rightful place in the history of the U S military and of U S Indian relations in the American Southwest
