Policies on Irregular Migrants: France, Portugal and Poland Laura Zanfrini, Winfried Kluth, Vardan Gevorgyan, Tzenē Kavounidē, Marnia Belhadj, Irina Ivakhnyuk, 2008-01-01

The insecurity which irregular migrants face on a daily basis because of the unlawfulness of their residence prompted the European Committee on Migration CDMG to assess their situation in Council of Europe member states. The aim of the exercise was to pool national experiences and evaluate them and also to draw up possible proposals on dealing with irregular migrants and improving cooperation between countries of origin and host countries. Five countries: Armenia, Germany, Greece, Italy and the Russian Federation volunteered and submitted some aspects of their national policies on the situation of irregular migrants for evaluation.

Worldwide Destinations Brian Boniface, Chris Cooper, 2024-04-30

Worldwide Destinations The Geography of Travel and Tourism is a unique text that explores tourism demand, supply, organisation and resources for every country worldwide in a logically structured and accessible format. The ninth edition is fully updated to include the following features: Greater exploration of current issues such as climate change, the impact of COVID-19 on destinations and subsequent recovery strategies, regenerative tourism, changes in consumer behaviour and sustainability. New and updated case studies throughout. Increased emphasis on South America and a new chapter focussing on the tourism geography of Antarctica. Enhanced online resources for lecturers and students including PPTs, web links, video links, MCQs and discussion questions. The first part of this book comprises thematic chapters that detail the geographic knowledge and principles required to analyse the tourism appeal of destinations. The subsequent division of this book into regional chapters enables the student to carry out a systematic analysis of a particular destination by providing insights on cultural characteristics as well as information on specific places. This volume is an invaluable resource for studying every destination in the world, explaining tourism demand, evaluating the many types of tourist attractions and examining the trends that may shape the future geography of tourism. This thorough guide is a must-have for any student undertaking a course in travel and tourism.

Embracing the Beat of Expression: An Psychological Symphony within **Long Stays In Portugal**

In a world eaten by monitors and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony produced by the published word often disappear into the background, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, situated within the pages of **Long Stays In Portugal** a wonderful literary value filled with natural emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this interesting masterpiece conducts viewers on an emotional journey, well unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths with this emotional examination, we shall examine the book is key harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
