Look And Learn Frontpage :

The Front Page Christopher Gleeson, 2011-12-31 For most of the front pages that follow my inspiration has been twofold to elaborate some touching story from my everyday life experience however banal and use it as a stepping stone to illustrate how we might more easily find God and be found by God in all things Central to Ignatian spirituality is the belief that our world is transparent reflecting constantly a God who works in the depths of everything St Ignatius Loyola saw the world as very user friendly For him every part of it from the stars in the heavens to the flowers of the field elevated his mind and heart to God In Ribadeneira's Life of Ignatius we learn how even the smallest things could make his spirit soar upwards to God who even in the smallest things is Greatest At the sight of a little plant a leaf a flower or a fruit an insignificant worm or a tiny animal Ignatius could soar free above the heavens and reach through into things which lie beyond the senses Life I11 5381 Seeking and finding God in all things works on the belief that God is already present in our world and it is our task to uncover his presence and help others to do the same It is very different to the old perhaps arrogant concept of ministry which talked about bringing God to the world
