Looking For Little Egypt:

Looking for Little Egypt Donna Carlton, 1994 *Looking for de Soto* Joyce Rockwood Hudson, 2012-02-01 In 1984 Joyce Rockwood Hudson accompanied her husband anthropologist Charles Hudson on a 4 000 mile trek across the Southeast His objective was to retrace and verify the route taken by Hernando de Soto four and a half centuries earlier The effort would bring into question and ultimately supplant much of what was earlier thought to be the course of the Spanish explorer s journey This is the journal Joyce Hudson kept during that trip A kind of scholar s version of Blue Highways the book is a warmly humane and almost daily account of the people the Hudsons met the places they saw and the things they did as they searched for De Soto s trail beneath railroad tracks and two lane blacktops along riverbanks and mountain ridges Thus it is largely a travel story about rural and small town life in eleven states from Florida to Texas Descriptions of the region s everchanging terrain vegetation and climate fill the book colored at times by Joyce Hudson s troubled musings about Americans increasing disconnectedness from the land and irreverence for the past Conveying the rewards and frustrations of lives spent in painstaking scholarly inquiry Looking for De Soto also offers a firsthand glimpse into the daily work of anthropologists and archaeologists the exchanges of ideas the ventures through swamps and down deeply rutted farm roads the endless porings over maps charts and notes As if writing a detective story the author suspensefully paces the narrative with the accrual of geographical artifactual and documentary evidence punctuating it with false leads and other setbacks as mile after mile of the trail is redrawn The story even has its villains pothunters and private collectors the builders of canals and dams that alter the courses of rivers and inundate ancient village sites and the owners of corporate farms who have leveled and eradicated ceremonial mounds with their massive agricultural machinery Finally a sense of the headlong cultural collision between Europeans and Native Americans pervades the book De Soto and his six hundred conquistadores were the first Europeans to explore the interior of the southeastern United States and the only ones to witness its aboriginal society at its zenith Hudson s evocation of this encounter so central to the history of the New World may well send readers on their own excursions into the past Looking for De Soto is a fascinating journey through today s South illuminated by a richly informed perspective on its earlier days How the Arabian Nights Inspired the American Dream, 1790-1935 Susan Nance, 2009 The

leisure abundance and contentment that many imagined were typical of Eastern life were the same characteristics used to define the American dream BOOK JACKET **Salomania and the Representation of Race and Gender in Modern Erotic Dance** Cecily Devereux, 2023-04-25 Salomania and the Representation of Race and Gender in Modern Erotic Dance situates the 1908 dance craze which The New York Times called Salomania as a crucial event and a turning point in the history of the modern business of erotic dance Framing Salomania with reference to imperial ideologies of motherhood and race it works toward better understanding the increasing value of the display of the undressed female body in the 19th and early 20th centuries This study turns critical attention to cultures of maternity in the late 19th century primarily with

reference to the ways in which women are defined in relation to their genitals as patriarchal property and space and are valued according to reproduction as their primary labour. Erotic dance as it takes shape in the modern representation of Salome insists both that the mother is and is not visible in the body of the dancer a contradiction this study characterizes as reproductive fetishism. Looking at a range of media the study traces the modern figure of Salome through visual art writing early psychoanalysis and dance from hootchie kootchie to the performances dancer Maud Allan called mimeo dramatic to mid 20th century North American films such as Billy Wilder's *Sunset Boulevard* and Charles Lamont's *Salome Where She Danced* to the 21st century HBO series *The Sopranos*.
