aging in place?

Aging in place simply refers to the practice of living in your home as you age. More specifically, it means you decide not to move to a nursing home or assisted living facility as you grow older.

Aging in place can allow you to stay in your home and maintain your independence. It can also help you maintain your quality of life as you age.

Planning ahead is key to aging in place. You may need to make changes to your home to make it safer and more accessible. You may also need to hire help or arrange for other services to assist you.
