The Stuff of Spectatorship Caetlin Benson-Allott,2021-04-06 Film and television create worlds but they are also of a world a world that is made up of stuff to which humans attach meaning Think of the last time you watched a movie the chair you sat in the snacks you ate the people around you maybe the beer or joint you consumed to help you unwind all this stuff shaped your experience of media and its influence on you The material culture around film and television changes how we make sense of their content not to mention the very concepts of the mediums Focusing on material cultures of film and television reception The Stuff of Spectatorship argues that the things we share space with and consume as we consume television and film influence the meaning we gather from them This book examines the roles that six different material cultures have played in film and television culture since the 1970s including video marketing branded merchandise drugs and alcohol and even gun violence and shows how objects considered peripheral to film and television culture are in fact central to its past and future New York Magazine ,1977-10-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1977-09-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for

social and political developments of the decade Remembering Annie Hall Jonathan Ellis, Ana María Sánchez-Arce, 2023-08-24 Since its release *Annie Hall* has established itself as a key film for Woody Allen's career and the history of romantic comedy more generally. At the 1978 Academy Awards it won Oscars for Best Film, Best Director, Best Screenplay and Best Actress and is regularly cited as one of the greatest film comedies ever released, credited with influencing directors such as Wes Anderson, Noah Baumbach, Richard Linklater, Greta Gerwig and Desiree Akhavan. This lively collection brings a new ethical and philosophical perspective to bear on Allen's work quite different from previous generations of scholars. At the same time as exploring the film's continuing influence on contemporary cinema, this book's contributors engage explicitly and implicitly with ongoing debates about Allen's cinematic output following the renewal of accusations against Allen by his adopted daughter Dylan Farrow in 2014 and 2018. The book is alive to debates within film studies about the limits of auteur theory and the role of the spectator California. Court of Appeal (2nd Appellate District).
