The Lord God Made Them All , All Things Bright and Beautiful , 2017-05 This padded board book for young children presents an illustrated version of the well known hymn which celebrates the wonders of God's creations *The Lord God Made Them All* Judy Kauffman, 2003-01 Verses of the song All Things Bright and Beautiful are illustrated with familiar scenes from God's wonderful creation Some pictures are color by number The words and music of the song are included □□□□□□ □□□□, 2006-10 CD3 **In the Beginning** Tommie McBrayer, 2021-10-20 The book of Genesis is one of the most important books in the Old Testament Every major doctrine in the Bible is introduced in the first three chapters In *In the Beginning* author Tommie McBrayer shares insights about these pivotal chapters She tells how one cannot study Genesis without being awed by God's amazing power and by his love and care for the creatures he created including humans She illustrates his provision and protection in every chapter but most of all she calls attention to his eternal plan for humanity's salvation Praise for *In the Beginning* For Christians the first few chapters of the Book of Genesis are fascinating They pique our curiosity and lead us to wonder about God His creation and how everything began This book written by my close friend Tommie McBrayer is an invaluable resource to help answer some of the questions we ask about Genesis 1-3 Rather than rely solely on Bible commentaries Tommie uses the Bible to interpret itself when it comes to the Genesis account of creation Her approach is Biblically sound and rich in historical Christian theology This book will be a great resource for your study of Genesis Dr David Belk Pastor Monterey Baptist Church Lubbock Texas Songs of Joseph Olabode Ososami, 2012 Songs of Joseph is a Bible Devotional themed around the story of Joseph as found in Holy Scriptures There are daily devotions and guides for Bible study for an all year round Bible study of the topic which can be used also as an inspirational study guide to augment other daily devotionals There are also songs hymns and poems carefully selected for further inspiration on the title for the day **James Herriot** Michael Rossi, 1997-01-28 This study examines James Herriot's five major books as carefully crafted volumes of autobiography based on the building block of the short story In each of these works Herriot explores the fundamental choice of values underlying a happy and successful life In his vision the bonds of affection and mutual dependence between all creatures human and animal form an enduring theme that lies at the heart of the choices he makes in his personal and professional life This study will help the reader to understand the relationship between Herriot's stories and each book as a whole and to appreciate Herriot's work in the context of twentieth century anxieties about identity and meaning Following a biographical chapter that describes the relationship between Herriot's life and literary work Rossi discusses the genre of autobiography the relationship between truth and fiction in modern

autobiography and Herriot's use of the genre. A separate chapter is then devoted to each of Herriot's works in turn: *All Creatures Great and Small*, *All Things Bright and Beautiful*, *All Things Wise and Wonderful*, *The Lord God Made Them All*, and *Every Living Thing*. The discussion of each work includes sections on plot development and narrative structure, character development, thematic issues, and alternative critical approaches that may be fruitfully applied to the book. Helpful appendices contain identifications of minor characters in the works, a complete bibliography of all of James Herriot's works, critical sources, and a listing of reviews of all of his works. Because of the popularity of Herriot's work among adults and young adults, this companion will be a key purchase for school and public libraries.

The Real James Herriot

James Wight, 2011-04-27. No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author. Now in this warm and poignant memoir, Jim Wight talks about his father, the beloved veterinarian whom his family had to share with half the world. Alf Wight, aka James Herriot, grew up in Glasgow where he lived during a happy, rough, and tumble childhood and then, through the challenging years of training at the Glasgow Veterinary College, the story of how the young vet later traveled to the small Yorkshire town of Thirsk, aka Darrowby, to take the job of assistant vet is one that is well known through James Herriot's internationally celebrated books and the popular *All Creatures Great and Small* television series. But Jim Wight's biography ventures beyond the trials and tribulations of his father's life as a veterinarian to reveal the man behind the stories, the private individual who refused to allow fame and wealth to interfere with his practice or his family. With access to all of his father's papers, correspondence, manuscripts, and photographs and intimate remembrances of all the farmers, locals, and friends who populate the James Herriot books, only Jim Wight could write this definitive biography of the man who was not only his father but his best friend. NOTE: This edition does not include a photo insert.
