Bonnie Zimmerman, George Haggerty

Love Between Women Early Christian Responses To Female Homoeroticism:

Love Between Women Bernadette J. Brooten, 2009-02-15 *Love Between Women* examines female homoeroticism and the role of women in the ancient Roman world. Employing an unparalleled range of cultural sources, Brooten finds evidence of marriages between women and establishes that condemnations of female homoerotic practices were based on widespread awareness of love between women. An extraordinary accomplishment. A definitive source for all future discussion of homoeroticism and the Bible. Mary Rose D'Angelo, Harvard Gay Lesbian Review. Brooten's convincing analysis not only profoundly reshapes our understanding of the past but it should also shape the way in which that past, particularly the early Christian texts with their immense normative weight, will be used for the future. Anne L. Clark, *Journal of Lesbian Studies*. *Love Between Women* gives contemporary debates on sexuality a carefully delineated past. It boldly insists upon a different future, one informed by history but not tyrannized by it. Susan Ackerman, *Lambda Book Report*. Fascinating, provocative, and lucid. Brooten has made a fundamental contribution to women's and gender studies, gay and lesbian studies, and classics. Elizabeth A. Castelli, *Women's Review of Books*. Winner of the Lambda Literary Award for Best Lesbian Studies Book, 1997. *Love Between Women* Bernadette J. Brooten, 1996

Constructions of Female Homoeroticism in Early Modern Drama D. Walen, 2005-09-16 This book explores representations of love and desire between female characters in nearly seventy plays written between 1580 and 1660. The work argues that playwrights of late sixteenth and early seventeenth century England recognized and constructed richly diverse tropes of female homoerotic desire. Writers place female characters in erotic situations with other female characters in playful scenarios of mistaken identity, in anxious moments of amorous intrigue, in predatory situations, and in enthusiastic utopian representations of romantic love. These plays indicate an awareness of female homoeroticism in early modern England and belie statements that literary evidence of homosexuality was concerned primarily with men.

Female Homosexuality in Ancient Greece and Rome Sandra Boehringer, 2021-09-06 This groundbreaking study, among the earliest syntheses on female homosexuality throughout antiquity, explores the topic with careful reference to ancient concepts and views, drawing fully on the existing visual and written record, including literary, philosophical, and scientific documents. Even today, ancient female homosexuals are still too often seen in terms of a mythical, ethereal Sapphic love, or stereotyped as Amazons or courtesans. Boehringer's scholarly book replaces these clichés with rigorous, precise analysis of iconography and texts by Sappho, Plato, Ovid, Juvenal, and many other lyric poets, satirists, and astrological writers in search of the prevailing norms, constraints, and possibilities for erotic desire. The portrait emerges of an ancient society to which today's sexual categories do not apply, a society before sexuality where female homosexuality looks very different but is nonetheless very real. Now available in English for the first time, *Female Homosexuality in Ancient Greece and Rome* includes a preface by David Halperin. This book will be of value to students and scholars of ancient sexuality and gender, and to anyone interested in histories and theories of sexuality. *Histories of Sexuality* Stephen

Garton,2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have vast and diverse historical scholarship on sex and sexuality *Histories of Sexuality* highlights the key historical moments and issues pederasty and cultures of male passivity in ancient Greece and Rome the impact of early Christianity and ideals of renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson **Encyclopedia of Lesbian Histories and Cultures** Bonnie

Zimmerman,2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public **Her Master's Tools?** Caroline Vander Stichele,Todd

C. Penner,2005 This collection of essays originating in the SBL International Meetings in Berlin 2002 and Cambridge 2003 explores the current reception of historical criticism in feminist biblical studies pushing the boundaries of past study and opening new vistas for future research By framing the discussion in the context of the current reevaluation of both historical criticism and feminist exegesis the contributors highlight the ongoing need to engage methodological issues In addition a strong postcolonial emphasis throughout the volume challenges the hegemony of Western biblical interpretation promoting a format of dialogue and engagement The collection brings together diverse cultural and geographical perspectives on biblical criticism with over ten countries represented Consisting of Western and non Western perspectives female and male scholars junior and senior voices in the field and a range of feminist scholars situated alongside postcolonial and gender critics this collection reveals not only the multiplicity of perspectives but also the various transitions in scholarship that have taken place over the past thirty years Volume contributors include Roland Boer Athalya Brenner Ann Graham Brock Kristin De Troyer Esther Fuchs Archie Chi Chung Lee Joseph Marchal John Marshall Hjamil Mart nez V zquez Madipoane Masenya ngwana Mphahlele Judith McKinlay Priscilla Geisterfer Nyvlt Jorunn kland Todd Penner Vernon Robbins Susanne Scholz Hanna Stenstr m and Caroline Vander Stichele Paperback edition is available from the Society of Biblical Literature www.sbl-site.org **Mapping Gender in Ancient Religious Discourses** Todd C. Penner,Caroline Vander Stichele,2007 A collection of essays on early Christian Jewish and Greco Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries of the common era *The Bible, Gender, and Sexuality: Critical Readings* Lynn R. Huber,Rhiannon Graybill,2020-10-01 This

volume collects both classic and cutting edge readings related to gender sex sexuality and the Bible Engaging the Hebrew Bible New Testament and surrounding texts and worlds Rhiannon Graybill and Lynn R Huber have amassed a selection of essays that reflects a wide range of perspectives and approaches towards gender and sexuality Presented in three distinct parts the collection begins with an examination of gender in and around biblical contexts before moving to discussing sex and sexualities and finally critiques of gender and sexuality Each reading is introduced by the editors in order to situate it in its broader scholarly context and each section culminates in an annotated list of further readings to point researchers towards other engagements with these key themes

Christianity Stephen Hunt, 2017-05-15 For two millennia Christianity has embraced fairly consistent views of human sexuality Today there exist more varied outlooks on the subject This volume on Christianity in the The Library of Essays on Sexuality and Religion series overviews the contrasting Christian perceptions of sexuality Part 1 includes a number of previously published articles that are theological in nature and present biblical interpretations of sexuality Here several Christian voices are permitted to speak from their varied perspectives both conservative and liberal Part 2 features contributions focusing on the Christian tradition of celibacy and asceticism Part 3 surveys scholarly work emphasising the relationship between sexuality gender and patriarchy Part 4 offers academic interpretations of Christian expressions of sexuality through the mediums of worship ritual and the sacraments The final part peruses contemporary contestations of conventional Christian views This is undertaken by presenting articles examining views of gay sexuality assisted human reproduction and priestly celibacy

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

From Texts to Bodies Jacqueline Murray, 2025-04-24 From Texts to Bodies Sexes Genders and Sexualities in Premodern Europe reflects the historiographical changes to the study of women gender and sexuality in premodern Europe across the 1990s into the 2010s Developing from post Baby Boom interest in marriage and the family subsequently inspired by feminist

theory and cultural studies scholars turned their gaze to the wider field of sex and gender Using an interdisciplinary methodology and a broad cross section of medieval primary sources these articles trace the evolution of medieval studies from the family through women and gender to focus on sex and sexuality concluding with critical analyses of men masculinity and male embodiment Part I focuses on medieval women within the context of marriage family and the church and reveals new approaches to recovering women s experiences The articles sit at the transition point between recuperative women s history and critical gender history Part II uses an interdisciplinary lens to examine the body sex and sexuality and the intersections of sex sexualities and genders The innovative articles in Part III comprise the foundations for the critical analysis of premodern men masculinity embodiment and male sexuality Together these studies demonstrate the expansion of research from the examination of theoretical texts to the analysis of bodies as lived experience This volume will be of interest to scholars and students of premodern marriage genders sexualities and embodiment as well as those interested in the social and religious contexts of premodern society Clear and accessible this volume also provides an introduction and overview for readers with a broad interest in the Middle Ages *The Cambridge Companion to Lesbian Literature* Jodie

Medd,2015-12-10 The Cambridge Companion to Lesbian Literature examines literary representations of lesbian sexuality identities and communities from the medieval period to the present In addition to providing a helpful orientation to key literary historical periods critical concepts theoretical debates and literary genres this Companion considers the work of such well known authors as Virginia Woolf Adrienne Rich Audre Lorde Alison Bechdel and Sarah Waters Written by a host of leading critics and covering subjects as diverse as lesbian desire in the long eighteenth century and same sex love in a postcolonial context this Companion delivers insight into the variety of traditions that have shaped the present landscape of lesbian literature *A Special Illumination* Rollan McCleary,2004 Gay spirituality represents a hidden strand in Western

thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles *A Special Illumination* offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion *Novum Millennium* Claudia Sode,Sarolta Takács,2017-05-15 This volume reflects the different methods

and new approaches to the study of Byzantine history that have characterized the work of Paul Speck to whom it is dedicated and above all his insistence on a close reading and careful interpretation of the sources These aims are encapsulated in the introduction by John Haldon which gives a sense of where future studies should lead new generations of scholars The following studies by many of the leading authorities in their fields look at a whole range of aspects of the history of Byzantium its culture theology linguistics literature historiography sigillography and art and at the place of the Byzantine

empire within the late antique and medieval worlds Among Women Nancy Sorkin Rabinowitz, Lisa Auanger, 2009-06-03 Women's and men's worlds were largely separate in ancient Mediterranean societies and in consequence many women's deepest personal relationships were with other women. Yet relatively little scholarly or popular attention has focused on women's relationships in antiquity in contrast to recent interest in the relationships between men in ancient Greece and Rome. The essays in this book seek to close this gap by exploring a wide variety of textual and archaeological evidence for women's homosocial and homoerotic relationships from prehistoric Greece to fifth century CE Egypt. Drawing on developments in feminist theory, gay and lesbian studies and queer theory as well as traditional textual and art historical methods, the contributors to this volume examine representations of women's lives with other women, their friendships and sexual subjectivity. They present new interpretations of the evidence offered by the literary works of Sappho, Ovid and Lucian, Bronze Age frescoes and Greek vase painting, funerary reliefs and other artistic representations and Egyptian legal documents The Literature of Lesbianism Terry Castle, 2003 Since the Renaissance countless writers have been magnetized by the notion of love between women. This anthology registers that fact in as encompassing and enlightening a way as possible. Castle explores the emergence and transformation of the idea of lesbianism *Two Views on Homosexuality, the Bible, and the Church* Zondervan, 2016-11-29 Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. *Two Views on Homosexuality, the Bible and the Church* brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars well-accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views. Affirming represented by William Loader and Megan K. DeFranza. Traditional represented by Wesley Hill and Stephen R. Holmes. The main essays are followed by insightful responses that interact with their fellow essayists with civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people, especially those most affected by this topic, the contributors wrestle deeply with the Bible and theology, especially the prohibition texts, the role of procreation, gender complementarity and pastoral accommodation. The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries

on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *[Re]Gained in Translation, Volume 1-2* Sabine Dievenkorn,Shaul Levin,2024-02-26 Volume 1

Translations of the Bible take place in the midst of tension between politics ideology and power With the theological authority of the book as God s Word not focusing on the process of translating is stating the obvious Inclinations fluency and zeitgeist play as serious a role as translators person faith and worldview as do their vocabulary poetics and linguistic capacity History has seen countless retranslations of the Bible What are the considerations according to which Biblical retranslations are being produced in current 21st century contexts From retranslations of the Hebrew Bible to those of the Old and New Testaments to mutual influences of Christian and Jewish translational traditions the papers collected here all deal with the question of what is to be re gained with the production of a new translation where at times many a previous one has already existed Volume 2 Times are changing and with them the norms and notions of correctness Despite a wide spread belief that the Bible as a sacred original only allows one translation if any new translations are constantly produced and published for all kinds of audiences and purposes The various paradigms marked by the theological political and historical correctness of the time group and identity and bound to certain ethics and axiomatic norms are reflected in almost every current translation project Like its predecessor the current volume brings together scholars working at the intersection of Translation Studies Bible Studies and Theology all of which share a special point of interest concerning the status of the Scriptures as texts fundamentally based on the act of translation and its recurring character It aims to breathe new life into Bible translation studies unlock new perspectives and vistas of the field and present a bigger picture of how Bible re translation works in society today

Love Between Women Early Christian Responses To Female Homoeroticism Introduction

In today's digital age, the availability of Love Between Women Early Christian Responses To Female Homoeroticism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Between Women Early Christian Responses To Female Homoeroticism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Between Women Early Christian Responses To Female Homoeroticism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Between Women Early Christian Responses To Female Homoeroticism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love Between Women Early Christian Responses To Female Homoeroticism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Between Women Early Christian Responses To Female Homoeroticism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love Between Women Early Christian Responses To Female Homoeroticism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Between Women Early Christian Responses To Female Homoeroticism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love Between Women Early Christian Responses To Female Homoeroticism books and manuals for download and embark on your journey of knowledge?

FAQs About Love Between Women Early Christian Responses To Female Homoeroticism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Love Between Women Early Christian Responses To Female Homoeroticism is one of the best book in our library for free trial. We provide copy of Love Between Women Early Christian Responses To Female Homoeroticism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Love Between Women Early Christian Responses To Female Homoeroticism. Where to download Love Between Women Early Christian Responses To Female Homoeroticism online for

free? Are you looking for Love Between Women Early Christian Responses To Female Homoeroticism PDF? This is definitely going to save you time and cash in something you should think about.
