Love In The Tempest Of History A French Resistance Story:

Love in the Tempest of History Aude Yung-de Prévaux, 2001 A daughter's search for her birth parents uncovers one of the most haunting love stories to have emerged from the Second World War The Sunday Times of London an extraordinary true tale of adventure romance and tragedy Aude's odyssey to uncover the truth and to pay tribute to her remarkable parents is a powerful story destined to become a classic of French Resistance literature of photos The Killing Fields of Provence James Bourhill, 2021-04-01 A history of the German occupation of France during World War II the French resistance and ultimately the nation's liberation In the south of France the most memorable event of World War II was the sea and airborne invasion of August 15 1944 Perhaps because it went relatively smoothly this Second D Day was soon relegated to the back pages of history Operation Dragoon and the liberation are however only a small part of the story The arrival of the Allies was preceded by years of suffering and sacrifice under Hitler's Vichysois oppression Provençal people still struggle to come to terms with the painful past of split allegiances and empty stomachs that epitomize les années noires the dark years Deportations requisitions forced labor and hunger provoked resistance by a courageous minority Many actively colluded with the enemy but most just waited for better days By sea and air Allied agents and special forces were infiltrated to fan the flames but wherever the Resistance arose prematurely the reprisals from the Nazis and their auxiliaries were ferocious In every corner of Provence one can find words chipped into stone *Passant souviens toi passer by remember* It is hard to imagine such cruelty could have existed here less than one generation ago These memories here tell a story of duplicity defiance and ultimately deliverance Whether the stuff of legends or the experiences of everyday humans humanity is used to explain the Franco American experience of wartime Provence as seen through an Anglo Saxon prism A complete and well researched study of the French Resistance groups Allied agents and Special Forces operating against the Germans in the South of France Firetrench The Publishers Weekly, 1901 **Library Journal**, 2001 **Feminist Studies**, 2001
