Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and

it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out [Psychic Wisdom on Love and Relationships](#) Pamela Cummins,2012-12-19 Read how a psychic s insights into the spirit world give knowledge to transform your love life Pamela noticed patterns with the questions her clients asked Will I ever find love When is he going to call How can I get my mate to open up You may have similar questions Maybe you re sick of horrible dates and relationships or you are bored and unsatisfied in your relationship Then Psychic Wisdom on Love and Relationships is for you Pamela Cummins guides often repeat the message to focus on yourself for a better and healthier relationship You will learn other valuable information from the spirit world too If you are ready for a love of a lifetime it s time to take a journey of self love boundaries intuition communication skills and more [The Essential Books of Mormons - Complete Collection](#) William Alexander Linn,John Taylor,Joseph Fielding Smith,Wilford Woodruff,James E.
