Dogmatics III Emil Brunner,2025-04-24 One of the great twentieth century works of theology Emil Brunner s Dogmatics series presents a profoundly biblical systematic theology Finding a path between Barth and Bultmann Brunner explores key doctrines such as the doctrine of God creation and redemption and the doctrine of the church and of faith These foundational texts from a leading theologian of the 20th century are crucial for scholars and students illuminating how modern Protestant theology was formed in the last century The first volume serves as an introduction to Brunner s view of dogmatics setting out the nature position and necessity of dogmatics before exploring the many facets of the doctrine of God In detailed vigorous explanation Brunner considers the nature and will of God including his name his holiness his wisdom and his glory Thorough insightful and extensive this first volume is an illuminating beginning to this series The second volume explores the fundamental concepts of the protestant doctrine from creation and the creator to man s position within creation sin and its consequences and the saving work of Jesus Brunner explores all of the possibilities of these fundamentals and his detailed thoughtful arguments are designed as he says to set us free to have a faith which is based on nothing save the Love of God revealed in Jesus Christ The third and final volume focusses on the theology of the Church as a reflection of God s self revelation through the Holy Spirit and an eternal consummation of Divine self communication Drawing together the understanding gleaned in the previous two volumes Brunner addresses the nature of the church and faith to bring his systematic biblical theology into the experiences of his readers

Way of Love Norman Wirzba,2025-10-30 Way of Love invites readers to discover the Christian faith as a school that forms people in the practices of love Love is the heart of Christian life because believers are called to follow in the footsteps of the God who is love While attending to Scripture and the lives of saints and strugglers Wirzba shows why love is hard but also why it is necessary for the healing of our communities and world Way of Love is unique because it shows that love is both a practice and the key to understanding what Christian teaching is fundamentally about and why it matters for our daily lives In a time when an increasing number of people see religion as irrelevant and Christian faith as mired in rancor and hate

Wirzba challenges Christians to a better way that prioritizes care and compassion for people and for the whole of creation
