Philosophical-sociological Essay Олег Арин / Алекс Бэттлер, 2021-07-08 The problems of love family and state are topics that are widely discussed both in the West and in Russia This essay however differs from all previous research work in that Alex Battler elevated the well known words love family and marriage to the level of concepts This enabled the author to correlate them to the conception of force and progress he had substantiated in the book *Dialectics of Force Ontology* and ultimately to define the regular connection between the destruction of marriage and the collapse of a state within the context of the law of entropy growth or the law of death Rooted in Love: Louis and Zélie Martin: Models of Married Love, Family Life, and

Everyday Holiness Annette Goulden, 2021-05-30 When Sts Louis and Zélie Martin were canonized in 2015 they were the first spouses to be declared saints as a couple Their lives are proof that God works through ordinary families to draw his future saints like St Therese of Lisieux Louis and Zélie's youngest daughter toward holiness Even before their first encounter in the small town of Alençon France God was preparing Louis and Zélie for marriage Later he continued to sustain them powerfully in their married love and family life *Rooted in Love: Louis and Zélie Martin Models of Married Love Family Life and Everyday Holiness* explores the stages of Louis and Zélie's marriage from the joys of parenthood through the sorrows of bereavement and ultimately to the challenges of single parenthood experiences which many families face today Author Annette Goulden demonstrates how amid both the joys and the sorrows of family life these saints grew in their understanding of God's love for them From the initial urge to earn God's favor with sacrifices and sufferings to a deeper understanding of God's unconditional love even in the minutiae of daily life God was their guide on the path to holiness a path that is open to all married couples This book is for both families and individuals to offer them light and guidance to live their ordinary everyday life in closeness with God No matter one's vocation in life Louis and Zélie exemplify how everyday experiences such as being a working parent running a business or raising a difficult child can be sacramental if one is open to a trusting relationship with God even when he seems to be absent Whatever the situation a married couple find themselves in this saintly couple shows how daily actions and choices however small and ordinary are highly valued by God and can lead to holiness to a close relationship with him and to forming children who are strong in faith maturity and joy The book contains a fully linked index and 41 photos About the Author Annette Goulden O.C.D.S. is a Secular Discalced Carmelite from Newbury England In 2002 she helped found a new Secular Order community in Oxford She has served the Discalced Carmelite Secular Order in numerous capacities including as national president and as a member of the O.C.D.S.
