Downing,2010-04 Marriage is God's idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2:21-25 and 5:5 By this we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart **FEATURING DRS MELVIN AND ROBIN THORNHILL** Melvin and Robin Thornhill are the founders and presidents of Destiny New Image Ministries They have a combined 50 years of experience in family and marriage counseling

Intimacy and Identity in the Postmodern Novel Emilija Dimitrijevic, 2008 This book focuses on the themes of intimacy and identity in the contemporary novel and in particular in the novels of A S Byatt Angela Carter and Jeanette Winterson Not only do the specificity of the contemporary social context and a growing awareness of the relational nature of the concepts of intimacy and identity set these novels apart from earlier writing that take these issues more for granted Their very concern with the themes of intimacy and identity also sets them apart from much postmodernist or mannerist writing that chooses to cold shoulder these arguments The study draws on work by contemporary social theorists and philosophers and aims to examine issues which although central to the writing of these authors have been neglected or treated superficially in literary criticism Finally it looks into the ways in which the new approaches to the question of intimacy and identity relate and
