The Good News of God's Mercy Kevin Perrotta, 2004

The Good News According to Matthew Eduard Schweizer, 1975-01-01 The Good News according to Matthew is a brilliant passage by passage investigation of the longest Gospel By comparing Matthew with his sources Mark the Saying Source early liturgies and with parallels like Luke earlier wisdom literature and Qumran texts Schweizer is able to isolate Matthew s distinctive view of Christ

Recovering the Full Mission of God Dean Flemming, 2013-10-04 Should our proclamation of the gospel be in words or deeds or both What do the Scriptures say New Testament scholar and missionary Dean Flemming takes a look at this disputed question Rooted in the Old Testament and covering the Gospels Paul Acts Peter

and Revelation Flemming provides a biblically sound basis for holistic evangelism **The Kingdom of God Is among You**
Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1

Revelation John Christopher Thomas, Frank D. Macchia, 2016-04-11 The book of Revelation is perhaps the most theologically complex and literarily sophisticated and also the most sensual document in the New Testament In this commentary John Christopher Thomas s literary and exegetical analysis makes the challenging text of Revelation more accessible and easier to understand Frank Macchia follows up with sustained theological essays on the book s most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of Revelation

The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke s message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that Luke s message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s conclusion challenges its readers by asking the question along with Luke s audience What must we do **Luke's Gospel**
Jonathan Knight, 2005-08-04 Luke s Gospel provides a comprehensive and schematic reading of Luke s Gospel one of the most important books detailing the life and works of Christ in six main parts Knight introduces the Gospel and the narrative theory on which the Gospel rests He offers a detailed chapter by chapter exposition of the Gospel and also alternative perspectives

such as feminism and deconstruction He considers the principal motifs of the Gospel particularly the theme of the temple which has been previously overlooked in Luke scholarship arguing that Jesus pronounces the present temple forsaken by God to introduce himself as the cornerstone of the eschatological temple Finally he examines earlier readings of Luke s Gospel Jonathan Knight presents an accessible and jargon free introduction to the Gospel and makes a valuable addition to the New Testament Readings series **The People's New Testament Commentary** M. Eugene Boring,Fred B.

Craddock,2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *New Testament Essentials* Robbie F. Castleman,2014-07-17 Have you

ever been overwhelmed by the writings of the New Testament This 12 session study helps us hear Scripture in its own historical and cultural context before guiding us to apply it to our own lives a comprehensive overview to enrich our knowledge and deepen our faith *Jews, Israel, & Jesus* Wendy Bowen,2023-04-26 This course will impart to you a Biblical revelation of God s redemptive purpose for Israel the work of Jesus Yeshua as their Messiah and how that impacts God s dealings with the Jewish people and the nations of the world even up to today Faith for the Heart Groome, Thomas H.,2019 Faith for the Heart makes a special outreach to the spiritual but not religious to the ones and the believers without belonging with rich resources for their faith journey Catholic signals that all are welcome to draw upon its treasury of the Church s spiritual resources regardless of faith identity *Scripture Soundings: Sundays and Solemnities, Year B ,*
