Mirage, 2014-02-20 Part 1 of *The Raconteur Trilogy* consists of eleven stories, each challenging the threshold of a specific genre. The stories cross the boundaries of status quo to defy what audiences have become accustomed to expect from a particular style of writing. In the beginning, a little girl of low socioeconomic status matches wits with the so-called university elite, bringing them to their knees after having discovered the true essence of wisdom and knowledge. The stories continue to excite and challenge as each character's actions give new meaning to the words vengeance and retribution. The book ends with a man who reaches the height of the papacy only to lose it all when he consciously refuses the path to redemption in the hope that God would turn a blind eye to his unrighteous deeds. The stories take place in Spain, Rome, Jamaica, America, and Australia while the time frame spans 1945 to 2011, capturing each era and bringing it to life. See why *Laughter in My Misery* is like no other book as it dares to cross the boundaries of genres.
