The Early Childhood Curriculum Suzanne L. Krogh, Pamela Morehouse, 2014-02-18 Based on research that demonstrates the powerful advantages of integrating the curriculum while providing inquiry opportunities *The Early Childhood Curriculum* shows how to make such an approach work for all children preschool through the primary grades The text demonstrates how to confidently teach using inquiry based methods that address the whole child while also meeting and exceeding academic standards Offering a foundation in early childhood theory philosophy research and development the 2nd edition of this unique textbook helps future teachers as well as current educators understand the why of curriculum in early childhood and invests them with the skills they need to move from simply following a script to knowledgeably creating curricula on their own Since each curricular subject has its own integrity there is a chapter for each discipline grounding the reader in the essentials of the subject in order to foster knowledgeable and effective integration The 2nd edition of *The Early Childhood Curriculum* includes information on the most recent trends in national curriculum standards particularly in regard to the Common Core State Standards Initiative and the Next Generation Science Standards Coupled with this information are practical suggestions for meeting standards while still providing young learners with a truly child centered educational experience Chapters contain real life vignettes that

demonstrate inquiry and integration in practice The entire text reflects the philosophy that the use of inquiry to seek and obtain information is one of the most valuable and powerful tools children can acquire along the way to becoming lifelong learners

Screening Shakespeare in the Twenty-First Century Mark Thornton Burnett, 2006-09-27 This bold new collection offers an innovative discussion of Shakespeare on screen after the millennium Cutting edge and fully up to date it surveys the rich field of Bardic film representations from Michael Almereyda's *Hamlet* to the BBC Shakespeare *Re Told* season from Michael Radford's *The Merchant of Venice* to Peter Babakitis' *Henry V* In addition to offering in depth analyses of all the major productions *Screening Shakespeare in the Twenty First Century* includes reflections upon the less well known filmic Shakespeares which encompass cinema advertisements appropriations post colonial reinventions and mass media citations and which move across and between genres and mediums Arguing that Shakespeare is a magnet for negotiations about style value and literary authority the essays contend that screen reinterpretations of England's most famous dramatist simultaneously address concerns centred upon nationality and ethnicity gender and romance and McDonaldisation and the political process thereby constituting an important intervention in the debates of the new century As a result through consideration of such offerings as the Derry Film Initiative *Hamlet* the New Zealand *The Maori Merchant of Venice* and the television documentary *In Search of Shakespeare* this collection is able to assess as never before the continuing relevance of Shakespeare in his local and global screen incarnations Features Only collection like it on the market bringing the subject up to date Twenty first century focus and international coverage Innovative discussion of a wide range of films and television Accessibly written for students and general readers
