**Microbiology and Immunology Casebook** James T. Barrett, 1995-01-01 Solving Education's Problems Effectively Gerard Giordano, 2009-03-16 Rich in practical information about the history of American education Solving Education's Problems Effectively encourages readers to analyze, prioritize and synthesize historical information by applying it to current situations. Using more than thirty case studies, Giordano suggests solutions to issues that plague educators across the nation, from textbook quality to gender, race and religion biases. The case studies are accompanied by activities to prompt educators to higher levels of thinking about the problems they face. *The Veterinary General Practice Casebook* Andrew Gardiner, Anne Quain, 2025-02-27 A harmless looking papilloma on Monday morning, a fitting Bulldog on Wednesday afternoon, a pyometra, last thing on Friday. *The Veterinary General Practice Casebook* echoes life at the coalface of companion animal practice. Organised into clinics, each chapter feels like a day in the life of a busy general practitioner where emergencies are juggled with routine consultations and every so often something unexpected pops up. Ideal for senior veterinary students, new graduates, those returning to practice and those seeking a general practice workout, this book presents cases as they appear in real life, often messier and less complete than textbook descriptions. The clinical content is complemented by topics on wellbeing and professional practice, as well as recipes for simple and nutritious meals to feed veterinary body and soul. This book makes a persuasive argument for general practice as a speciality in its own right and celebrates the role of general practice veterinarians and their vital contribution to animal health and welfare in the community. **Pharmacotherapy Casebook** Joseph T. DiPiro, 2002 Using a consistent problem solving approach, this new edition of *Pharmacotherapy Casebook* helps you apply the principles of pharmacotherapy to everyday real world clinical issues.
