How to Get Around the Outlook Window: Continued

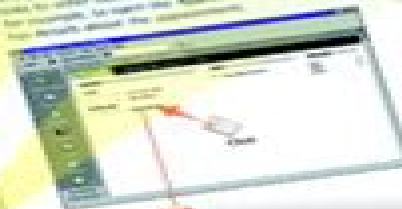

8 Change Views

One of the Outlook navigation pane's main functions is to change the view of the information stored in the Outlook database. You can view the information in the Outlook database in a variety of ways. The default view is the "Standard" view, which displays the information in a list of items. You can also view the information in a "Calendar" view, which displays the information in a calendar format.

9 Use Outlook To Do List

Click the Outlook To Do List icon in the Outlook navigation pane to view the To Do List. The To Do List displays a list of tasks that are due in the next 14 days. You can click on a task in the To Do List to view the task's details.

5 How to Change Paper Size

By default, most documents are printed on 8 1/2" x 11" paper. However, you can change the paper size of a document to match the paper you are using. To change the paper size of a document, click on the "Page Setup" button in the "Format" menu.

6 Exit the Database
