Snyder, 2014-05-11 English professor Gavin Dozier hasn't had much luck when it comes to love When his last boyfriend cheated on him he was driven to experiment with women Sex with Marian though had its own dangers and before he knew it he was a father Now estranged the only thing Gavin and Marian have in common is their daughter Evie a precocious seven year old who stays with Gavin every other weekend While out with her daddy Evie meets the heavily tattooed Brody Phelps a sketch artist with serious talent who still dresses like a brooding punk rocker even though he's in his thirties Brody is instantly attracted to the sexy college professor but knows Gavin is out of his league the man has a kid which probably means he isn't gay and besides Brody never even graduated from high school Guys like Gavin don't go for guys like him But when Evie leaves Gavin's cell phone behind Brody has the perfect excuse to meet up with them again To his surprise they hit it off and when he asks Gavin out the professor accepts Even though Evie brought them together will her demanding personality pull them apart Is Gavin ready to trust his heart to someone else again Can Brody overcome his own fears of inadequacy and let Gavin in And what will Marian have to say when the father of her child starts dating again **Never**

Unshattered Carmen Lea,2025-09-15 Warning This book may cause ugly crying sudden healing and unexpected bursts of self love Side effects include telling your inner critic to shut up and finally choosing yourself Unshattered From Wreckage to Radiance One Poem at a Time is a raw and radiant poetic memoir about trauma resilience and self love Written by Canadian author Carmen Lea this powerful collection blends poetry memoir and personal growth to create an unforgettable healing journey Born from lived experience Unshattered tells the story of a woman who grew up feeling unloved unwanted bullied and silenced From childhood abuse and toxic relationships to betrayal gaslighting and decades of self loathing Carmen shares her journey of breaking apart and slowly putting herself back together Every poem is a piece of her survival her healing out loud and her choice to rise radiant from the wreckage This isn't just a poetry book it's a lifeline Readers call it Raw relatable and soul affirming A lifeline in poetry form The kind of book you don't just read you feel Perfect for readers who are Healing from childhood trauma or abuse Searching for self love self worth and resilience Longing for emotional healing through words Seeking empowering poetry that speaks to women's experiences Looking for a meaningful gift book for a friend daughter or loved one With themes of forgiveness empowerment and inner strength Unshattered speaks to the child who was hurt the adult who is healing and the resilient soul learning to live from within If you've ever felt invisible broken or not enough this book will meet you where you are and walk with you toward where you want to be Healing is not linear but one poem at a time is always possible Tagline Self love first Kindness always Live from within Never Tell Our Business to Strangers Jennifer Mascia,2010-02-23 When Jennifer Mascia is five years old the FBI comes for her father At that moment Jenny realizes that her family isn't exactly normal What follows are months of confusion marked by visits with her father through thick glass talking to him over a telephone attached to the wall She and her mother crisscross the country from California to New York to Miami and back again When her father finally returns home months later his absence is never explained and Jenny is told that the family has a new last name It's only much later that Jenny discovers that theirs was a life spent on the lam trying to outrun the law Thus begins the story of Jennifer Mascia's bizarre but strangely magical childhood An only child she revels in her parents intense love for her and rides the highs and lows of their equally passionate arguments They are a tight knit band never allowing many outsiders in And then there are the oddities that Jenny notices only as she gets older the fact that her father had two names before he went away in public he was Frank but at home her mother called him Johnny the neat hidden hole in the carpet where her parents keep all their cash The family sees wild swings in wealth one year they're shopping for Chanel and Louis Vuitton at posh shopping centers in Los Angeles the next

they're living in one room and subsisting on food stamps What have her parents done What was the reason for her father's incarceration so many years ago When Jenny at twenty two uncovers her father's criminal record during an Internet search still more questions are raised By then he is dying of cancer so she presses her mother for answers eliciting the first in a series of reluctant admissions about her father's criminal past Before her mother dies four years later Jenny is made privy to one final riveting confession which sets her on a search for the truth her mother fought to conceal for so many years As Jenny unravels her family's dark secrets she must confront the grisly legacy she has inherited and the hard truth that her parents are not and have never been who they claimed to be In the face of unimaginable tragedy Jenny will ultimately find an acceptance and understanding just as meaningful and powerful as her parents' love In a memoir both raw and unwavering Jennifer Mascia tells the amazing story of a life lived unwittingly with criminals Full of great love and enormous loss *Tell Our Business to Strangers* will captivate and enthrall both with its unrelenting revelations and its honest witty heart

Hosting the Stranger: Between Religions Richard Kearney, James

Taylor, 2011-03-10 *Hosting the Stranger* features ten powerful meditations on the theme of interreligious hospitality by eminent scholars and practitioners from the five different wisdom traditions Jewish Christian Hindu Buddhist and Islamic By gathering thinkers from different religious traditions around the same timely topic of what it means to host the stranger this text enacts the hospitality it investigates facilitating a hopeful and constructive dialogue between the world's major religions

Whispers of Never Kelly Christina Kunde, 2012 *Whispers of Never* is a collection of poetry that delves into the most profound senses of loss pain and loneliness Many of the poems reflect the pain that was a result of years of abuse neglect loss and betrayal The writings are brutally honest and are not designed to make light of the many atrocities experienced by the author In this book the reader is forced to look into the raw pain and devastation so clearly portrayed by the author's use of words Many readers will find similar feelings and fears within themselves though perhaps to a lesser degree Every life has loss and adversity which will help each reader relate to the images and feelings created within this collection of works Mixed throughout the book are poems written from a place of healing acceptance and survival Hope can be glimpsed and felt in the midst of the darkness There are messages of beauty and recovery conveyed in more light hearted pieces This book does not follow a linear route from hurting to healing from longing for death to fighting ferociously for survival Rather it is presented in a chronological order by date of creation You will clearly be able to see that healing and recovery is not made with steady forward progress but follows the constant struggle with depression into an appreciation of beauty and life Many individuals from backgrounds similar to that of the author experience some or all of the same overwhelming thoughts and feelings expressed throughout this book Many like the author do not frequently speak freely about these feelings and thoughts for fear of driving others away or frightening them As a society in general we are told to get over it and move on something much more easily said than done Having already experienced ultimate judgments and labels this author no longer fears

telling it like it is She urges you to take this part of her journey with her to understand and acknowledge the devastating pain one person can inflict upon another all while keeping in mind that there is hope and there are beautiful people who will reach out if only you dare take their hands This body of work was created in a relatively short two year time span and truly reflects the rollercoaster of feelings and insights experienced in the face of deep depression and hopeful healing
