

An aerial photograph of a landscape. A dark, winding river flows through a vast, golden-brown field. The field has a textured, almost patterned appearance, possibly from plowing or natural terrain. In the background, there are more fields and some distant structures or trees. The overall color palette is dominated by warm, earthy tones.

Neverfield Poem:

The Neverfield Nathalie Handal, 2005-01-01 The *Neverfield* is a work which insists on itself It is poetry of a shining quality from a poet whose voice is sure and unafraid Lucille Clifton The *Neverfield* poem is an epic journey a passionate search for beauty and truth If beauty is truth and truth is beauty the poems in this volume lead us once again to that realization The *Neverfield* is an enchanting work sharing with us a poet's true vision Rudolfo Anaya Nathalie Handal's poems in her collection *The Neverfield* Poem are wide as breath lyrically linked as an elegantly stitched Palestinian bodice and dreamily deeply evocative as the stories that never leave us from the first time we hear them Naomi Shihab Nye Nathalie does find her homeland and her self in the kingdom of the word to which she longs and belongs World Literature The *Neverfield* Poem unfolds revealing a landscape as complex and as singular as breath Aljadjid the yellow branch kneeled in front of my crying feet the field's elevating fingers seized the sunlight nothing else existed but yellow yellow was I ever to see more Excerpted from *The Neverfield* An emerging young talent in the field of poetry and culture Nathalie Handal a French American poet of Palestinian descent writes with great passion and eloquence on the subjects of displacement diaspora and the search for cross cultural identity

The Neverfield Nathalie Handal, 1999 *Dinarzad's Children* Pauline Kaldas, Khaled Mattawa, 2009-11-01 The first edition of *Dinarzad's Children* was a groundbreaking and popular anthology that brought to light the growing body of short fiction being written by Arab Americans This expanded edition includes sixteen new stories thirty in all and new voices and is now organized into sections that invite readers to enter the stories from a variety of directions Here are stories that reveal the initial adjustments of immigrants the challenges of forming relationships the political nuances of being Arab American the vision directed towards homeland and the ongoing search for balance and identity The contributors are D H Melhem Mohja Khaf Rabih Alameddine Rawi Hage Laila Halaby Patricia Sarrafian Ward Alia Yunis Diana Abu Jaber Susan Muaddi Darraj Samia Serageldin Alia Yunis Joseph Geha May Monsoor Munn Frances Khirallah Nobel Nabeel Abraham Yussef El Guindi Hedy Habra Randa Jarrar Zahie El Kouri Amal Masri Sahar Mustafah Evelyn Shakir David Williams Pauline Kaldas and Khaled Mattawa

The Time Between Places Pauline Kaldas, 2010-11-01 This collection of twenty stories delves into the lives of Egyptian characters from those living in Egypt to those who have immigrated to the United States With subtle and eloquent prose the complexities of these characters are revealed opening a door into their intimate struggles with identity and place We meet people who are tempted by the possibilities of America and others who are tempted by the desire to return home Some are in the throes of re-creating themselves in the new world while others seem to be embedded in the loss of their homeland Many of these characters although physically located in either the United States or Egypt have lives that embrace both cultures A Game of Chance follows the actions of a young man when he wins the immigration lottery and then must decide whether or not to change his life Cumin and Coriander takes us inside a woman's thoughts as she tries to come to terms with the path her life has taken

while working as a cook for American expatriates in Egypt The Top enters the mind of a man whose immigration results in a loss of identity and sanity These compelling stories pull us into the lives of many different characters and offer us striking insights into the Arab American experience

Passwords Primeval Tony Leuzzi,2012-10-16 Passwords Primeval sets aside the artificial boundaries of poetry schools and movements to cut to the art of the matter Tony Leuzzi s astounding knowledge of poetry draws new insights from such luminaries as Billy Collins Gerald Stern Jane Hirshfield Patricia Smith and Mart n Espada These new interviews provide insights into the poets and their poems without losing any of their mystery Whether you re looking for deeper understanding of your favorite poets or simply interested in the lives of contemporary artists Passwords Primeval reveals the interconnectedness of these masters whose voices echo each other from opposite ends of the same canyon

A Crack in the Wall Margaret Obank,Samuel Shimon,2001 This anthology of daring new Arab poetry highlights the work of poets from around the Arab world This is a personal journey for most as they explore their lives and cultural complexities with an intensity of images and emotions
