Rollins, 2023-03-14 Have you ever wondered where God is in your life Have you ever asked yourself why things are happening and why He seems to be silent How does He speak to us today and help us in our journeys *God's Little Nudges* takes a look at our journey with God and our experiences in life It explores how God talks to us teaches us and relates to us no matter how difficult life gets Author Rebecca K Rollins uses the style of a self help guide but instead of telling us how to look out for number one she shows us how to rely on Him and depend on the Holy Spirit for help using examples from her own experiences Even though we must face sickness and challenges in life there is a way we can go through this journey full of joy peace and hope no matter what is happening Rollins demonstrates how she has achieved that in her life and how anyone who chooses to can achieve it as well It is vital we know who we are in Christ whose we are and the kind of God we serve This personal narrative shares one woman's experiences and journey with God and invites you to embrace the idea that you are never alone and that God has a purpose for everything in your life      *God's Nudge* Tekisha D. yourself     *God's Will* J. I. Packer, Carolyn Nystrom, 2012-01-01 Seeking God's guidance is a focus for many believers. We want to know what God has planned for our lives. Are we making the right decision? Are we in his will? For some people, knowing God is guiding their lives makes them relax and enjoy the ride. But others fear making the wrong choice and find themselves paralyzed as they wait for signs from above. J. I. Packer and Carolyn Nystrom answer these fears with *God's Will*. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning Christians can have. Readers seeking God's will in major life decisions as well as anyone interested in understanding how God guides us will welcome this practical and inspiring book.     **The Declaration of Independence, God, and**

**Evolution** Simon D. Perry, 2016-06-27 In this book, Simon Perry has brought together a discussion of politics, philosophy, religion, and science by using the Declaration of Independence as a backdrop. He questions whether Jefferson was motivated by God. Is there a role for religion in our government? Is God real or a fantasy? Is the Good Book really good? Why has man turned to God to achieve eternal life? Does the mythicism of creation prevail over evolution? Is man indoctrinated at an early age to accept God unconditionally? These are but a few of the questions that he deals with. As you read, you will discover others. He spent five years researching this book, and it relies heavily on the great scholars of religion, science, and politics. This book lays bare our cognitive distortions of who we are and where we came from.     *God's Word to a Widow's Heart* Ronda Little Martin, 2015-09-01 In *God's Word to a Widow's Heart*, author Ronda Little Martin provides daily inspiration from God's Word for those recovering from personal loss. A widow herself, Martin is the cofounder of PHOEBE Connections, which connects widows for fellowship and service. This collection gathers the daily devotionals that she writes each day to the widows of PHOEBE Connections based upon her own devotion time with God. They are designed to inspire, strengthen, comfort, and encourage widows in their journey to overcome grief and to gain new identity and purpose in Jesus Christ. Martin spends the early part of each morning reading and personally applying God's Word. She then shares whatever message of inspiration He gives her with the ladies of PHOEBE Connections via e-mail, social media, and the PHOEBE website. Therein, she seeks to fulfill Paul's command in 2 Corinthians 1:4 to comfort those who are in any kind of affliction through the comfort we ourselves receive from God. From *Determine to Sing a New Song* to *Just Keep Asking God's Word to a Widow's Heart*, can strike a chord with anyone who is dealing with profound personal loss.     *Dreaming with God* Sarah Beth Marr, 2018-02-06 The world tells us that the way to make all our dreams come true is to set our own course and strive every day. But when it's all on us, we end up feeling exhausted, frustrated, and disappointed when things don't turn out as we'd hoped. Have you ever wondered if there was a better way? There is. God knows the desires of our hearts; He put them there. And He calls us to trust to lean on Him and sometimes to wait. Weaving together her unique perspective as a professional ballerina with profound truths drawn from Scripture and the life of faith, Sarah Beth Marr reminds us that we are not dreaming alone. If God has given us a dream, we can be sure that He will come alongside us as we work toward realizing it. Using her own story as a catalyst, Marr

encourages women to surrender their plans to God to stay in tempo with his Spirit and to step into a deeper relationship with Christ When they do she says they will be able to move confidently into the future knowing that their dreams and God s desires are aligned in perfect harmony *God Whispers* Liz Thompson,2013-04-15 Where are you at this moment If your first reaction was to say I am in a book store or I am in my recliner I would likely say the same thing But what I am asking is where you are in your faith walk with God Do you feel far from Him Maybe you walk closely with Him and hear His voice in your life Are you in a listening mode or are you tuned into the noise in your life cluttered with things to do places to go and people to see Maybe you picked up this book because you were curious how God could possibly whisper Or maybe you needed to make a major decision and you thought this book might help Or maybe you picked it up because when you saw fudge in the subtitle you thought it might be a recipe book It is a recipe book in its own way and for fun you will find fudge recipes in the appendix But I wrote this book to share some experiences of mine and those of its contributors about how we learned from our fudges and responded to God s nudges God wants to free us from our self made cocoons or chrysalises and watch us fly free like a butterfly Liz Thompson lives in Grove City Ohio with her husband Bob and wire haired dachshund Toby Bear who is her Certified Hearing Dog In 2008 Liz s first book *Day by Day The Chronicles of a Hard of Hearing Reporter* was published by Gallaudet University Press She has a column in *ThisWeek Newspapers* formerly *Suburban News Publications* SNP in Columbus Ohio where she was also a reporter SNP from 2000 2003 From 2003 2005 she and her husband lived in Arizona where she was a Community Columnist for *The Arizona Republic* Liz has been a writer for *Hearing Health Magazine* and [www.moveoverms.org](http://www.moveoverms.org) She wants to share her faith in God in her writing and pass on the love of writing to the next generation keywords Religion Christian Christianity Inspirational Recipes Witness Poetry Faith Healing

Motivational **How God Works** David DeSteno,2022-09-06 Drawing on a wealth of new evidence pioneering research psychologist David DeSteno shows why religious practices and rituals are so beneficial to those who follow them and to anyone regardless of their faith or lack thereof Scientists are beginning to discover what believers have known for a long time the rewards that a religious life can provide For millennia people have turned to priests rabbis imams shamans and others to help them deal with issues of grief and loss birth and death morality and meaning In this absorbing work DeSteno reveals how numerous religious practices from around the world improve emotional and physical well being With empathy and rigor DeSteno chronicles religious rites and traditions from cradle to grave He explains how the Japanese rituals surrounding childbirth help strengthen parental bonds with children He describes how the Apache Sunrise Ceremony makes teenage girls better able to face the rigors of womanhood He shows how Buddhist meditation reduces hostility and increases compassion He demonstrates how the Jewish practice of sitting shiva comforts the bereaved And much more DeSteno details how belief itself enhances physical and mental health But you don t need to be religious to benefit from the trove of wisdom that religion has to offer Many items in religion s toolbox can help the body and mind whether or not one believes How God

Works offers advice on how to incorporate many of these practices to help all of us live more meaningful successful and satisfying lives
