

Nudity A Cultural Anatomy

Yuniya Kawamura

Nudity A Cultural Anatomy:

Nudity Ruth Barcan, 2004-06-17 Drawing on a wealth of examples the author addresses a topic that has been largely ignored within cultural studies despite its ability to shock titillate or entertain Nudity is a blend of meaningful minutiae and big philosophical questions about the most unnatural state of nature in the modern West **What Nudism Exposes** Mary-Ann Shantz, 2022-10-01 What Nudism Exposes offers an original perspective on postwar Canada by situating the nudist movement within the broader social and cultural context and considering how nudist clubs navigated changing times As the nudist movement took root in Canada after the Second World War its members advanced the idea that going nude and looking at the bodies of others satisfied natural curiosity loosened the hold of social taboos and encouraged mental health By the 1970s nudists increasingly emphasized the pleasurable aspects of their practice Mary Ann Shantz contends that throughout the postwar decades nudists sought social approval as they engaged with contemporary concerns about childrearing sexuality public nudity and the natural environment This perceptive eminently readable book explains the perspectives of the movement while questioning its assumptions What nudism ultimately exposes is how the body figures at the intersection of nature and culture the individual and the social the private and the public **Dirt, Undress, and Difference** Adeline Masquelier, 2005-12-20 A magnificent volume It offers brand new perspectives on body politics and identity or subjectivity formation in the post colonial world Dorothy Ko Barnard College While there is widespread interest in dress and hygiene as vehicles of cultural moral and political value little scholarly attention has been paid to cross cultural understandings of dirt and undress despite their equally important role in the fashioning of identity and difference The essays in this absorbing and thought provoking collection contribute new insights into the neglected topics of bodily treatments and transgressions In detailed ethnographic studies from around the world the contributors recast assumptions about filth and nakedness exploring how various forms of transgression associated with the body s surface are drawn up into relations of power and inequality They demonstrate imaginatively how body surfaces are powerfully mobilized in the making and unmaking of moral worlds **Bodies as Sites of Cultural Reflection in Early Childhood Education** Rachael S. Burke, Judith Duncan, 2014-10-30 Taking the body as a locus for discussion Rachael S Burke and Judith Duncan argue not only that implicit cultural practices shape most of the interactions taking place in early childhood curricula and pedagogy but that many of these practices often go unnoticed or unrecognized as being pedagogy Current scholars inspired by Foucault acknowledge that the body is socially and culturally produced and historically situated it is simultaneously a part of nature and society as well as a representation of the way that nature and society can be conceived Every natural symbol originating from the body contains and conveys a social meaning and every culture selects its own meaning from the myriad of potential body symbolisms Bodies as Sites of Cultural Reflection in Early Childhood Education uses empirical examples from qualitative fieldwork conducted in New Zealand and Japan to explore these theories and discuss the ways in which children s

bodies represent a central focus in teachers pedagogical discussions and create contexts for the embodiment of children's experiences in the early years

A Brief History of Nakedness Philip Carr-Gomm, 2025-02-12 As one common story goes Adam and Eve the first man and woman had no idea that there was any shame in their lack of clothes they were perfectly confident in their birthday suits among the animals of the Garden of Eden All was well until that day when they ate from the Tree of Knowledge of Good and Evil and went scrambling for fig leaves to cover their bodies Since then lucrative businesses have arisen to provide many stylish ways to cover our nakedness for the naked human body now evokes powerful and often contradictory ideas it thrills and revolts us signifies innocence and sexual experience and often marks the difference between nature and society In *A Brief History of Nakedness* psychologist Philip Carr Gomm traces our inescapable preoccupation with nudity Rather than studying the history of the nude in art or detailing the ways in which the naked body has been denigrated in the media *A Brief History of Nakedness* reveals the ways in which religious teachers politicians protesters and cultural icons have used nudity to enlighten or empower themselves as well as entertain us Among his many examples Carr Gomm discusses how advertisers and the media employ images of bare skin or even simply the word naked to garner our attention how mystics have used nudity to get closer to God and how political protesters have discovered that baring all is one of the most effective ways to gain publicity for their cause Carr Gomm investigates how this use of something as natural as nakedness actually gets under our skin and evokes complicated and complex emotional responses From the naked sages of India to modern day witches and Christian nudists from Lady Godiva to Lady Gaga *A Brief History of Nakedness* surveys the touching sometimes tragic and often bizarre story of our relationships with our naked bodies

Body, Dress, and Identity in Ancient Greece Mireille M. Lee, 2015-01-12 This is the first general monograph on ancient Greek dress in English to be published in more than a century By applying modern dress theory to the ancient evidence this book reconstructs the social meanings attached to the dressed body in ancient Greece Whereas many scholars have focused on individual aspects of ancient Greek dress from the perspectives of literary visual and archaeological sources this volume synthesizes the diverse evidence and offers fresh insights into this essential aspect of ancient society Intended to be accessible to nonspecialists as well as classicists and students as well as academic professionals this book will find a wide audience

Uncovering Paris Lela F. Kerley, 2017-06-07 From 1889 to 1914 nude spectacles increased at an astonishing rate as a result of burgeoning artistic experimentation the commercialization of the female body and the rise of urban nightlife In particular artists balls and music halls provided creative spaces in which women artists impresarios and the illustrated press could cast the natural body as a source of sexual pleasure identity and reform Emphasizing the role of erotic entertainment as an outlet and agent of modern sensibilities *Uncovering Paris Scandals and Nude Spectacles in the Belle poque* offers a fresh approach to important topics of the period Bohemian artists the New Woman and press censorship and reinterprets them through the lens of *la femme nue* Having inherited her name from the pictorial female Nude and the Nude's real life counterpart the

artist's model la femme nue operated as a screen onto which various groups projected their artistic drives sexual desires monetary interests and cultural anxieties A struggle to define pornography and art freedom and censorship and public and private spheres ensued among artists theater directors and moral leagues as a century long tradition of equating civilization with clothing broke down in the face of performative challenges In posing singing acting and dancing in naturalist presentations the artist's model turned erotic entertainer engendered crises in ways of seeing the female body that contributed to and was indicative of a changing moral climate within which women were accorded more freedom to corporeally express themselves Once denigrated and denounced as a sign of vulgar working class sexuality the revelation of female flesh became an integral aspect of twentieth century French body culture Drawing upon a range of colorful commentaries dramatic debates and evocative photos Lela F Kerley highlights the importance of nudity in the redrawing of moral boundaries as she uncovers key moments that amounted to a culture war in the years leading up to World War I Through an investigation of street riots court cases and anti pornography campaigns Uncovering Paris offers an interdisciplinary approach to the scholarship on Belle poque sexual politics and a rich glimpse into the social construction of morality in Belle poque France

Fashion-ology Yuniya Kawamura, 2018-04-05 This new edition of a classic work offers a concise introduction to the sociology of fashion and demystifies the workings of the fashion system From the origins of fashion studies and the difference between clothing and fashion through to an examination of 21st century subcultures and the impact of the digital age on designers Fashion ology explores fashion as a global social construct With accessible overviews of key debates issues and perspectives the book provides a complete exploration of the field and features a wide range of international case studies which bring the theory to life Updated with two new chapters on subcultures and the impact of technology along with guides to further reading and a student guide to sociological research in fashion this is essential reading for anyone studying fashion sociology anthropology and cultural studies

Libertine Fashion Adam Geczy, Vicki Karaminas, 2020-09-03 Shortlisted for the Association of Dress Historians Book of the Year Award 2021 Libertine practices have long been associated with transgression and social deviance This innovative book is the first to focus fully on the relationship between libertinism as a social phenomenon and as a form of fashion Taking the reader from early modernity to the present day Adam Geczy and Vicki Karaminas reveal how the connection between clothing and the taboo the erotic and the forbidden is at the heart of libertine fashion Moving from the decadent courts of Charles II and Louis XV to the catwalks of the 21st century Libertine Fashion examines literary and sartorial figures ranging from the Marquis de Sade and Lord Byron to Oscar Wilde Josephine Baker Colette and Madonna Focusing on libertinism as a sartorial practice and identity this book traces the genealogy of the concept through the proto feminists of the English Reformation the hedonistic decadents of the fin de siècle and the Flappers of the Roaring 20s The historical arc traverses the 1970s era of punk and glam the shapeshifting personae of David Bowie and the disciplinary regimes of Jean Paul Gaultier Looking at libertine practices

and appearances with fresh eyes this bracing and original book affords many new insights into transgressive style and of the relationship between sexuality and clothing Accessible and thoroughly researched *Libertine Fashion* uses a multidisciplinary approach that draws on historical literature film fashion philosophy and popular culture Offering a historical and philosophical grounding in contemporary forms of identity and dress it is essential reading for students and scholars of fashion gender sexuality and cultural studies

The Material Atlantic Robert S. DuPlessis, 2016 A fascinating account of the trade patterns and consumption practices that arose following European colonisation of the Atlantic world Focusing on textiles and clothing Robert DuPlessis reveals how globally sourced goods shaped the material existence of virtually every group in the Atlantic basin during the seventeenth and eighteenth centuries
