Nurturing The Souls Of Our Children:

Nurturing the Souls of Our Children Thomas F. Geary, Bonnie L. Geary, 2002 *Nurturing the Souls of Our Children* proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children This is nurturing the soul It is what children today need more than anything else Based on their experience as parents as church ministers and as professional counselors for over 25 years Dr Thomas Geary and his wife Bonnie are well qualified to integrate the psychological with the spiritual Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society Their suggestions are clothed in practical humorous and touching stories reflective of the real world where families live *Nurturing the Souls of Our Children* Robert Mitchell, 2005 *The Sin of Obedience* is one of the few works of fiction or non fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest The novel rich and accurate in detail is the story of a young prodigy torn with between the rigid religious traditions and convictions of his mother and the more humanity oriented respect for freedom of his father Building on his own experiences including being the subject of sexual abuse by a seminary teacher the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives This well crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result **And a Child Shall Lead Them** Marjie Wilde, 1999 **Nurturing Your Child's Soul** Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven't done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present *The Soul of the Child* Michael Gurian, 2002-11-01 With *The Wonder of Girls* and *The Wonder of Boys* bestselling author Michael Gurian presented his groundbreaking views of parenting Now with the same breadth of vision and depth of commitment he combines accessible analysis of cutting edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children's souls A revolutionary vision for parents and educators alike indeed for all who love children *The Soul of the Child* is a deft blend of inspiring stories common sense and scientific observations that demonstrates what the soul is and how it works This insightful and groundbreaking book urges its readers to become aware of our children's divine inheritance and learn how to nurture that divinity Sensible and informed it shows how to protect childhood from the complexities of our age and provides as no book ever has the means for bestowing upon our children the gifts of compassion security discipline humility and enlightenment *The Soul of the Child* is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood to the
