Judaism is the religion, philosophy and life of the Jewish people. It is monotheistic religion in the Hebrew bible and later on explore as Talmud. The conventional relationship that developed by the God to the Children of Israel. It is claimed as 3000 years old religion and defined as one of the oldest religion of the world and also as the oldest religion that has been survived till today world. Judaism has directly and indirectly influenced the secular western ethics and civil war (*Experiencing the World's Religions*, pp. 289-341).

This religion only adopts those who have born to the religion or changes in to Judaism. The most important feature of this Judaism is the Jewish Law as the Torah and Jewish laws are originated by divine and these are unalterable and eternal. Second feature is the Social Justice, as because it teaches to the humans about the importance of the social justice. Social justice in Judaism is defined as for the individual or the community as fairly treated, there should not be any discrimination among all (*Anthology of World Scriptures*, pp. 219-253)

The philosophy is of the humans as all are created in the image of God and therefore entitled to dignity and equal opportunity. Third is the place of worship in Judaism as the worship of place is very special in this religion is like a church to Christians or a mosque to Muslims. Every person belongs to this religion need to only pray to the God in this kind of special place of worship. There are some other essential features of this religion that creates impact on the humans who belong to this religion (Shaye J.D. Cohen 1999, p. 7).

The thoughts and ideas are also very different than other religious and the practice of the religion are also quite different. These three features have been selected for the Judaism religion because these are most important things in the religion and everyone who suppose to follow the religion need to strongly follow these three features because rules and regulations are important. Also the social justice as the religion states need not to be ignored by the people because the main aim of the religion is not see the humans

An insightful collection of essays on the Kabbalah and Jewish spirituality from the preeminent scholar of Jewish mysticism Gershom Scholem was the master builder of historical studies of the Kabbalah When he began to work on this neglected field the few who studied these texts were either amateurs who were looking for occult wisdom or old style Kabbalists who were seeking guidance on their spiritual journeys His work broke with the outlook of the scholars of the previous century in Judaica die Wissenschaft des Judentums the Science of Judaism whose orientation he rejected calling their disregard for the most vital aspects of the Jewish people as a collective entity a form of censorship of the Jewish past The major founders of modern Jewish historical studies in the nineteenth century Leopold Zunz and Abraham Geiger had ignored the Kabbalah it did not fit into their account of the Jewish religion as rational and worthy of respect by enlightened minds The only exception was the historian Heinrich Graetz He had paid substantial attention to its texts and to their most explosive exponent the false Messiah Sabbatai Zevi but Graetz had depicted the Kabbalah and all that flowed from it as an unworthy revolt from the underground of Jewish life against its reasonable law abiding and learned mainstream Scholem conducted a continuing polemic with Zunz Geiger and Graetz by bringing into view a Jewish past more varied more vital and more interesting than any idealized portrait could reveal from the Foreword by Arthur Hertzberg 1995 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Forthcoming Books** Rose Arny,2004 Writers Directory M-Z Miranda Herbert Ferrara,2004-06 This comprehensive resource features up to date bibliographical biographical and contact information for approximately 20 000 living authors worldwide who have at least one English publication Entries typically include name
