## **Paths Of Resistance The Art And Craft Of The Political Novel:**

**Paths of Resistance** Isabel Allende, Charles McCarry, Marge Piercy, 1989 Five novelists examine the correlation between their writing and their sense of social responsibility emphasizing how good political fiction deepens the reader's awareness of the urgency of modern society *Paths of Resistance* William Zinsser, 1989 *Isabel Allende* Joan Axelrod-Contrada, 2011 Readers of the books in Today's Writers and Their Works will learn the story behind each writer's story **Redefining the Political Novel** Sharon M. Harris, 1995 While critical studies of the American political novel date from the 1920s such considerations of the genre have failed whether wittingly or unwittingly to recognize works by women The exclusion is usually based on a distinction between social novels and political novels and the result is an understanding of the political as a largely male province In this thought provoking collection of essays the contributors seek not simply to add works by women to the canon of political novels but rather to demand a conceptual revolution one that questions the very precepts on which the canon is based This redefinition of the political novel takes many factors into account including gender race and class and their relation to our most basic conceptions of literary and aesthetic value *Why We Teach Now* Sonia Nieto, 2015-04-28 *Why We Teach Now* dares to challenge current notions of what it means to be a highly qualified teacher *la No Child Left Behind* and demonstrates the depth of commitment and care teachers bring to their work with students families and communities This sequel to Nieto's popular book *Why We Teach* features powerful stories of classroom teachers from across the country as they give witness to their hopes and struggles to teach our nation's children *Why We Teach Now* offers us the voices of teachers like 42 year veteran Mary Ginley who wonders Why would anyone with any brains and imagination ever want to be a teacher Who then answers her own question affirmatively It's because somehow even today even with all the insanity all the rules all the poorly designed textbooks all the directives to teach to the test there are kids out there who need good teachers At a time when politicians policymakers and philanthropists are quick to denigrate teachers work and arrogantly speak for the profession *Why We Teach Now* offers teachers the room and respect to speak for themselves Once again Nieto gives teachers and those who care about education the inspiration and energy to embrace their role as advocates a role that is vital not only for the well being of students but also for the future of the profession and our nation Praise for *Why We Teach* These pieces reveal the passion and hope that keep people in the classroom Inspiration and information *Why We Teach* raises our understanding of the dedication that fuels people's commitment to this profession *Rethinking Schools* This collection of essays written by teachers from across the country demonstrates exactly why there is hope for our public schools Their words reveal why in spite of bureaucracy and low pay they continue to teach This book should be required reading for college students planning to enter the profession Teachers already in the classroom whether for five years or twenty five will be encouraged and inspired VOYA [Isabel Allende](#) Jeanne Nagle, Mary Main, 2015-12-15 The Chilean American writer Isabel Allende has won many awards for her magical realism fiction But she also has an

organization dedicated to supporting the rights of women and girls Through quotations from the author herself as well as detail descriptions about major events in her life and color images readers will learn exactly what it is that makes Isabel Allende an influential Latina

**Untainted Sky** Thomas Moylan, 2018-03-05 Dystopian narrative is a product of the social ferment of the twentieth century A hundred years of war famine disease state terror genocide ecocide and the depletion of humanity through the buying and selling of everyday life provided fertile ground for this fictive underside of the utopian imagination From the classical works by E M Forster Yevgeny Zamyatin Aldous Huxley George Orwell and Margaret Atwood through the new maps of hell in postwar science fiction and most recently in the dystopian turn of the 1980s and 1990s this narrative machine has produced challenging cognitive maps of the given historical situation by way of imaginary societies which are even worse than those that lie outside their authors and readers doors In *Scraps of the Untainted Sky* Tom Moylan offers a thorough investigation of the history and aesthetics of dystopia To situate his study Moylan sets out the methodological paradigm that developed within the interdisciplinary fields of science fiction studies and utopian studies as they grow out of the oppositional political culture of the 1960 and 1970s the context that produced the project of cultural studies itself He then presents a thorough

account of the textual structure and formal operations of the dystopian text From there he focuses on the new science fictional dystopias that emerged in the context of the economic political and cultural convulsions of the 1980s and 1990s and he examines in detail three of these new critical dystopias Kim Stanley Robinson's *The Gold Coast* Octavia Butler's *The Parable of the Sower* and Marge Piercy's *He She and It* With its detailed documented and yet accessible presentation *Scraps of the Untainted Sky* will be of interest to established scholars as well as students and general readers who are seeking an in depth introduction to this important area of cultural production

**The Dialectic of Self and Story** Robert Durante,2014-01-14 Informed by selected postmodern theories and cultural criticism this study argues that while American fiction of the 1980s and 1990s bears the outward signs of a return to realism it also evidences recurring themes of postmodernism such as alienation social disintegration personal despair historical dislocation and authorial self reflexivity

**Politics, Satire, and Historical Consciousness in Contemporary American Novel** Olena Boylu,2022-11-01 What is the role of the historical and political novel in our lives Is it just a story from the past or does it shape our historical consciousness Can we rely on the information within this type of fiction According to many historicists we cannot However we can also question numerous ideologically shaped history books that look more like fiction than scientific sources Hence historically and politically loaded fiction has an equal chance in the formational process of our historical consciousness Besides through satire and humor which a scientist omits in a history book a novelist manages to affect its reader on a different scale and leave a deeper trace As E L Doctorow once stated The historian tells you what happened The novelist will tell you what it felt like Hence this study analyzes several significant concepts such as historiography historical consciousness power its elements and the way it operates traces major characteristics of historical and political fiction and determines the role of satire within them Eventually through the analysis of several prominent contemporary novels it provides vivid examples of all the concepts that have been discussed

**The Elements of Peace** J. Frederick Arment,2014-01-10 This guide to nonviolent conflict resolution presents thirty methods of maintaining or achieving peace each with an in depth case study Methods covered and their real world applications include the art of diplomacy the 1995 Dayton Peace Accords fair trade the 1997 fair trade certification agreement civil disobedience the civil rights movement in the United States humanitarianism the rescue of the Hungarian Jews during the Holocaust the rule of law the International Tribunal for the Former Yugoslavia and peace education the Nobel Peace Prize among many others It concludes with a summary of the methods and the virtues of peace Instructors considering this book for use in a course may request an examination copy here

**Conversations with Isabel Allende** Isabel Allende,John Rodden,2004-02-01 This revised edition has been updated to cover Allende's three newest books *City of the Beasts* *Portrait in Sepia* A Novel and *Daughter of Fortune* It includes four new interviews in which Allende discusses completing her trilogy of

novels that began with *House of the Spirits* as well as her ongoing spiritual adventure and political interests      Writing the City Peter Preston, Paul Simpson-Housley, 2002-09-11 Arguing that classic geographical descriptions of the city fail to accomodate the crucial aspect of human life this visualizes the city through the hopes aspirations disappointments and pains of international novelists and creative writers      *The Novel of Human Rights* James Dawes, 2018-09-12 James Dawes defines a new dynamic American literary genre which takes as its theme a range of atrocities at home and abroad This vibrant and modern genre incorporates key debates within the human rights movement in the U S and in turn influences the ideas and rhetoric of that discourse      **Cataloging Bulletin** Hennepin County Library.
