Docheff, 2011-03 The purpose of this book is to provide athletic coaches with simple methods to enhance their coaching technique Coaching is teaching Therefore coaches must look at their teaching effectiveness in order to become better coaches In addition the athletic arena provides a wonderful opportunity for a Christian witness Often

coaches find it difficult to form a marriage between their coaching and a Christian lifestyle This book intends to meld the two together providing clear effective teacher education and biblical advice to Christian coaches The book also provides selected scriptures from God s Word Can a Christian coach really make a difference How can one Christian coach save the world of sport Well first there is more than one Christian coach out there Second if there was only one Christian coach willing to go to battle with Christ they would fight and win One coach plus Jesus equals a majority Recall that it appeared as though David didn t stand a chance when he went to fight Goliath David was not alone David knew that God would be with him Was he afraid Maybe but his faith in God was greater than his fear Hopefully this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior **Elementary Physical Education** Rovegno,Dianna Bandhauer,2016-02-15 Includes an access code for online materials
